SHORT TERM ENGLISH STUDY TOUR PROGRAMS
The College Short Term English Language Study Tour Programs provide intensive English language tuition for professionals and students. Every course is designed to meet the specific needs of each client group – allowing each group to develop English language and professional skills in an English speaking environment, over a period of days or months.

Short Term English Study Tour Programs and other English language courses are delivered by The College on behalf of Western Sydney University in Sydney, Australia. The College is wholly owned by Western Sydney University.

The College understands that not all groups come to Australia solely for English Studies. Many corporations and education institutions look for an international experience, combining English language studies with focused learning in a specific business or educational field.

The College has the expertise and experience to design and deliver fully customised, interactive Short Term English Study Tour Programs that can run over several days or several months. These programs present a wide range of activities – including site visits, lectures and excursions – to ensure that each client group has every opportunity to consolidate the professional and language skills they need.
STUDY TOURS AND CULTURAL ORIENTATION
A combination of English language tuition and excursions allows students the opportunity to experience local culture, and provides practical application of the English Language. Study tours can combine
- Full-time English studies with weekend activities
- Part-time English studies in the morning with cultural activities in the afternoon.

Previous participants have included:
- University groups receiving English courses for credit
- Senior high school students developing their English language proficiency and understanding of culture through immersion
- Industry groups of select staff for specific industry training
- Government employees requiring advanced communication skills
- Health professionals requiring focused technical language training and advanced communication skills
- Flight industry personnel looking to improve their language skills for increased employability

EXCURSIONS AND ACTIVITIES
Excursions and activities can include visits to some of Sydney’s world famous attractions, such as
- The Sydney Opera House and the Harbour Bridge
- The Blue Mountains, a world heritage listed National Park
- Wildlife sanctuary visits providing opportunities for contact with Australian fauna
- Access to aboriginal culture and sites.

We also offer organised sporting and recreational activities, including
- Beach excursions and rainforest bush walks
- Cultural field trips
- Barbecues and picnics
- Museums and art galleries.

QUALITY ASSURANCE AND ACADEMIC RIGOUR
The College has built an international reputation for the quality of its English Language Programs and the successful results achieved by its students. The College is recognised and certified by the Government of Australia (CRICOS provider code 02851G) and has quality endorsement with the Australian National English Accreditation Scheme (NEAS).

The College is also bound by the Australian Government standards of delivery of courses to international students under the Education Services for Overseas Students (ESOS Act 2007) ensuring a quality service in all our programs.

### SERVICES
The College understands that experiencing language barriers in a foreign culture is both exciting and challenging. To ensure our students settle into their studies as quickly as possible, they take part in orientation activities as soon as they arrive, and have access to a dedicated student services team.

Each tour has a coordinator to ensure the professional delivery of the program and to provide the pastoral care that is essential for making the program a success.

Components of the Study Tour Program include:

- Airport meet and greet services
- Airport transfers
- Program orientation
- Interpreters
- Language assessment tests (prior to departure and/or on arrival)

Our English language specialists are experienced in determining the specific needs of each client. This team of professionals develops proposals and designs curricula that ensures positive and measurable outcomes in a supportive tertiary environment.

### PROJECT MANAGEMENT
Every customised Short Term English Study Tour Program conducted by The College is allocated to a coordinator who is the prime point of contact between The College and the client. This ensures a high quality service consistent with the group’s requirements.
