## LOCATION AND PARKING

The nearest cross streets for the University entrance on the Great Western Highway are O'Connell Street (if coming from the Kingswood direction) or Gipps Street (if coming from the St Marys direction).

If driving, when you arrive on campus, please park in P7 in one of the spaces marked "Psychology Clinic Visitor Only". Please **note**: if parking is unavailable in P7 you can park in the large car park (P10) between yellow lines, but you must pay for parking at the machine (which is \$7) and display your ticket on your dashboard, otherwise you may receive a parking infringement.
