

## DIGITAL FUTURES

### SERVICES

#### SUPPORT

Contact us for support with materials development for vUWS and production of other digital content including multimedia, interactive resources and graphics.

#### CONSULTATION

For advice on student engagement in digital, blended and online worlds, our **Learning Science**, **User Experience**, **Rich Media** and **Ed Tech** teams help you apply evidence-based approaches to improve student engagement and success.

Let us know if you need more support in using Technology-Enabled Learning (TEL) in your teaching.
