Career Compass Webinar

The invitation is for individuals who are interested in pursuing a teaching career or are currently

university students studying to become teachers. The webinar aims to provide information about the support and opportunities available in New South Wales (NSW) public schools and the NSW Department of Education.

The topics covered include the streamlined approval process for becoming a teacher, scholarships that can provide financial assistance during studies, and expert advice on navigating the interview process and securing employment in NSW public schools.

Unleash Your Potential with EY

EY's got an awesome Vacationer Program just for students like you, no matter what degree you're pursuing. You'll team up with EY pros on real client projects, soak up the EY vibe, and make connections for life. And here's the best part: if you blow them away, they might just offer you a permanent gig after you graduate.

To be eligible, you must be in the second-to-last year of your degree and an Australian or New Zealand citizen or an Australian permanent resident. EY celebrates inclusivity and respects the Indigenous owners of the lands they work on. They're all about supporting people with disabilities or health conditions too, so no matter who you are, you're encouraged to apply.

So, what are you waiting for? Get in early and apply today!

115 Defence Internships Available

The Defence Industry Internship Program (DIIP) has 115 super competitive paid internships up for grabs in the defence industry all across Australia.

The internships run for 12 weeks during the summer University vacation period, from November 2023 to March 2024. If you're a 3rd or 4th year engineering student, recent tech grad, or someone with an awesome academic record, this is your chance. And hey, even if it's not required for your degree, it'll be an epic addition to your CV.

Applications open on 4 July 2023 and close on 31 July 2023, so make sure you don't miss out! Sponsored by the Department of Defence and administered by QTAC, the DIIP is the real deal. Don't wait, seize this opportunity now!

Take your Degree Global

The New Colombo Plan (NCP) Mobility Program 2024 Round is now open for applications. It's your chance to get some awesome financial support for your undergraduate studies at Australian universities. You can explore the incredible Indo-Pacific region through study programs, internships, and research projects.

It's an epic opportunity, whether you're in for a whole semester or a short-term adventure. Don't miss out on the information sessions and one-on-one Zoom meetings to get all the deets.

Check out the list of recommended IPP contacts by region. The team will be hosting information sessions on Zoom about the New Colombo Plan and developing Learning Abroad projects.
