

## **New Colombo Plan Completion Report**

This report must be submitted no later than one month after the project has been completed or by the deadline requested by Western Sydney International. If a project has multiple implementation dates, a Project Report must be completed after each implementation period. Internal school/department reports will not be accepted in place of this document. Supplementary information can be provided as part of this report.

<b>Government Reference</b>	
<b>Project name</b>	
<b>Host Location/s</b>	
<b>Project Leader Name</b>	
<b>Travel Dates</b>	

### **1. Quality international education experiences:**

- Please provide details of the activities undertaken by students during the project
- Did an Australian academic accompany the project overseas?
- How were individual students learning outcomes assessed?

150 words

## 2. Creating lasting linkages

- Please name the host institutional partners in the host location with which you developed lasting connections.

Note: Third Party Providers which charge fees are not NCP Partners

- How will your university sustain those linkages beyond the life of the NCP project?
- Please provide examples of opportunities Australian students had to develop lasting personal relationships with the host country.
- How will students maintain these linkages?

150 words

## 3. Inclusive participation

Please describe practical ways your university supported participation of students from diverse backgrounds

Please provide:

- Number of Indigenous students
- Number of students with a disability
- Number of regional/remote students

Note: One student may be counted against more than one of the above categories

150 words

#### 4. Project Management

- Please describe any difficulties/adverse events during the project and how they were managed by host and home institutions.
- Please describe the way you assessed the policies of your partners and any Third-Party-Providers eg. in relation to child protection, PSEAH, risk, M&E?

150 words

#### 5. Lessons learned (optional)

Please describe lessons your university learned through the implementation of this project eg. in relation to assuring/improving education quality, choosing host partners and creating linkages, supporting participation by students from diverse backgrounds and/or managing risks associated with international mobility.

150 words
