

30th May 2023

Interchange Your Future Today

Interchange is an exciting program for students at Western Sydney University.

This opportunity focuses on skills such as: entrepreneurship, innovation, and hands-on work experience with professionals that are sure to enhance your career!

Students can expect to engage in a blend of virtual and in-person sessions, workshops, and collaborative projects, equipping you with essential soft skills, mentorship, and networking with students from other institutions.

Don't miss out—applications close on **23rd June 2023**.

Robot Recruiting is Real

Did you know that AI applicant-tracking systems filter resumes and cover letters by keywords?

Just by tailoring keywords to the position, you can optimise your application for AI tracking systems. Otherwise, you can risk falling through the cracks, no matter how perfect you are for the job.

If AI is a point of interest to you, the Careers Education Consultants are running a workshop called, Writing Job Applications Using ChatGPT on Thursday the 15th of June.

Final Boarding Call: Global Scope

Interested in learning more about the Australian workplace?

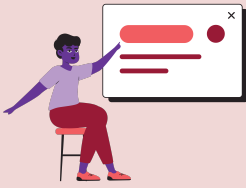

Students will be assigned into teams and presented with real business problems. Team members will create briefs and work with professional mentors to come up with real-world solutions. Afterward, students will present their findings and recommendations to their business clients.

You will be able to expand your professional network to new heights with the Global Scope Program. With Global Scope, students can soar to unlimited heights while learning new skills that will prepare them for the real world

But hurry, as the captain has indicated that applications close on the **8th of June 2023** so don't let the opportunity take off without you!
