

Research Studies Committee

1. Establishment and Representation

- 1.1 The Research Studies Committee is established as a sub-committee of the Research Committee.

2. Purpose

The Research Studies Committee:

- 2.1 is the principal advisory committee to the Research Committee and Academic Senate on operational matters relating to research training;
- 2.2 provides advice to the Research Committee about policy, planning and quality assurance in relation to research training;
- 2.3 provides advice to the Research Committee and the Academic Planning and Courses Approvals Committee (APCAC) about existing, new or revised research training, including undergraduate honours programs and higher degree programs; and
- 2.4 monitors the candidature of students in research training programs and higher degree research, and exercises relevant academic delegations.

3. Function

The Research Studies Committee will:

- 3.1 assist with, and give advice on, the development of proposals for new and amended research training and higher degree courses;
- 3.2 exercise relevant academic delegations, provide advice and make recommendations to the Research Committee, or respective School Academic Committees, about research undertaken by students in undergraduate Honours programs, research training programs or higher degree research. This will include:
 - a. monitoring student admission and progression, including compliance with relevant Commonwealth legislation and regulations;
 - b. monitoring variations of candidature;
 - c. monitoring supervisory panels;
 - d. managing examination processes, including considering and determining the outcomes from examiners' reports;
 - e. considering and determining Show Cause and Termination of Candidature cases; and
 - f. approving the conferring of degrees for higher degree research programs.
- 3.3 convene a Scholarship Ranking Panel to determine the ranking of applicants for Higher Degrees by Research, for recommendation to the Deputy Vice-Chancellor and Vice-President (Research and Development);
- 3.4 provide advice to the Research Committee on supervisor research training programs;
- 3.5 assist with the management and codification of supervision requirements.

4. Meetings and Reporting

- 4.1 The Research Studies Committee will meet a minimum of eight (8) times each calendar year;
- 4.2 The Research Studies Committee will report to the Research Committee through the submission of reports following each meeting;

- 4.3 The Committee may establish Expert Advisory Groups or Working Parties for specific purposes;
- 4.4 Student members will be excluded from the meeting whenever the Committee is processing or reviewing results for named, individual students.

5. Membership
