## Participant Consent form

**Project Title:** The experience of Australian multidisciplinary specialist palliative care teams caring for people with intellectual disability (ID) who are dying.

**I hereby consent to participate in the above named research project.**

**I acknowledge that:**

- I have read the participant information sheet (or where appropriate, have had it read to me) and have been given the opportunity to discuss the information and my involvement in the project with the researcher/s
- The procedures required for the project and the time involved have been explained to me, and any questions I have about the project have been answered to my satisfaction.

**I hereby consent to all of the following:**

- Completing a demographic form and participating in an interview which will be audio recorded, and
- Receiving the transcription of the interview for checking, and
- Receiving a summary of the research findings when the project is completed.

**I consent for my data and information provided to be used in this project and other related projects for an extended period of time.**

**I understand that my involvement is confidential and that the information gained during the study may be published and stored for other research use but no information about me will be used in any way that reveals my identity.**

**I understand that I can withdraw from the study at any time without affecting my relationship with the researcher/s, and any organisations involved, now or in the future.**

**My signature:**

**My name:**

**Today's date:**

**My email address:**
