There were no valid nominations for the position as Residential Student Representative Accordingly this position will be treated as a casual vacancy to be addressed by the incoming student council.

All positions that attracted multiple nominations will be the subject of an online election to be conducted between 9.00 am Monday 12 April 2021 through till 4.00 pm on Monday 26 April 2021.

As there are many instances where students have nominated for up to 6 positions the outcome of all positions will be determined following the close of voting and the application of those preferences.

All students eligible to vote at the election will receive an email message with a link to the voting site. The link will provide access to only those categories for which the student is entitled to cast a vote. This will occur at the opening of voting.
