Security info

These are the methods you use to sign into your account or reset your password.

You're using the most advisable sign-in method where it applies.

Sign-in method when most advisable is unavailable: Phone - text +61 0 [redacted] [Change](#)

Add sign-in method

Add a new or additional way of signing into your account e.g.: click and choose the Microsoft Authenticator App for the most secure and easy method to sign into your Western account.

	Phone	+61 0 [redacted]	Change	Delete
	Password (preview)	Last updated: 22 days ago	Change	
	Microsoft Authenticator Push multi-factor authentication (MFA)			Delete

Lost device? [Sign out everywhere](#)

LOST or STOLEN device?

Click on 'Sign out of everywhere' to secure your account and restrict access from your lost device

Current account sign-in & authentication options

You may decide to delete a sign-in method e.g. remove phone/text or call & use the authenticator app

If you have any issues, please contact the IT Service Desk on +612 9852 5111, or chat on the MyIT Portal, or email: itservicedesk@westernsydney.edu.au
