| Business                        | 2783     | 3         | Bachelor of Accounting  | CURRENT       | n/a       | 31-Dec-23 | US-PROFACC<br>M-PROFACC    | The Bachelor of Accounting is accredited with and satisfies the pre-admission educational requirements for membership of CPA Australia (CPA), Chartered Accountants Australia and New Zealand (CAANZ) and the Institute of Public Accountants (IPA). Completion of this degree will allow students to claim a number of exemptions from the Chartered Institute of Management Accountants (CIMA) in obtaining the CIMA Professional Qualification. On successful completion of both the Financial Planning and the Taxation specialisations the degree satisfies the accreditation requirements of the Financial Planning Association of Australia (FPA) to become a Financial Planner AFP® and prepares students for entry into the CFP® Certification. It is also accredited by, and meets the education requirements of the Financial Planning Education Council (FPEC) which satisfies the new federal government education requirements as mandated by the Financial Adviser Standards and Ethics Authority (FASEA). This course also meets the RG146 generic knowledge requirements, specialist knowledge requirements and skills requirements as they currently stand. Details re the coverage of RG146 requirements are available via the Handbook. In addition, by completing available specialisations within the program, students satisfy the tertiary qualifications requirements to register as a Tax (Financial) Adviser and a Tax Agent with the Tax Practitioners Board (pending completion of certain electives). Details regarding these requirements are available in the Handbook entry for this course. |
