

Term 3 Commencers – Timetable Options

For any new students commencing their studies in Term 3, 2017, we are offering additional assistance by providing you with a list of activities (classes) to allocate to that will enable you to create a clash-free timetable.

If you would like to utilise this service, select your course from the list below and allocate to the specified activities.

How to read an activity code:

700209 = Unit Code
_17 = Year of Study (2017)
-TE3 = Term of Study (Term 3)
_BANK = Location (Bankstown Campus)
_D = Study mode (Day time)
/CL = Activity Type (Class)
/03 = Activity Number (Activity 03)
-P1 = Activity Part (Part 1)

Once an activity is “full”, you will need to allocate to an alternative. If there are no other options available, please keep checking Allocate+ for more places to become available.

For more information on when and how to create your timetable, please read through the [Timetable FAQs](#).
