Department of Social Services Development Program

Exciting news, the 2024 Graduate Development Program is now open for applications!

This program offers the chance to work on policies and programs that support Australians' needs, and it runs for ten months with most positions located in Canberra.

The DSS team are searching for graduates who are eager learners, innovative, team players, effective communicators, and adaptable. You must have finished your qualifications within the last five years, be an Australian citizen, and be willing to undergo pre-employment screening and security checks.

Don't miss out on this incredible opportunity to make a difference in your community and jumpstart your career!

Australian Government

Department of Social Services

What are you waiting for?

Kickstart your career in finance

Look no further than The Australian Prudential Regulation Authority (APRA) Graduate Program!

With three five-month placements, you'll work closely with teams like risk, policy, and data analytics, gaining unparalleled knowledge of the Australian financial sector. Plus, our in-depth learning and development program will grow your technical and professional skills.

Don't miss out on this opportunity to start your career with one of the most diverse and in-depth financial services programs in Australia.

For more information

Are you an Experteq?

Experteq's internship program is open now. This program allows students to rotate through 4 practices: Service Centre, Modern Workplace, Cloud, and Network Services.

While with Experteq, you'll work 2-3 days a week, you will collaborate with colleagues while learning a broad range of technology skills to support their clients with technical issues, maintain production environments, and deploy code across different systems.

Students will also have a mentor to guide you, and opportunities to connect with colleagues at monthly socials and TeqForums.

Applications close on 28th April, to find out more or apply via the link below.
