Please attach a similar airfare quote with your relevant travel details to your [conference assistance form](#) when applying. Your airfare quote must include the following:

- Place where you found your quote
- Airline you will be travelling on (cheapest as possible)
- Location you will be departing from to Sydney Domestic Airport
- Times and dates of flights (we suggest leaving on the 14th and returning on the 17th September)
- Total cost

If you are eligible to apply for funding we will cover **up to \$500** which includes your airfare and on campus accommodation and your conference attending fee will be waived. You are **not** required to get an accommodation quote.

Please note funding assistance is limited and will be awarded on a competitive basis. Just because you are eligible does not mean you will be approved. Assistance does not cover any costs travelling to and from the conference nor any expenses while attending.

We understand that the price quotes may fluctuate slightly closer to the date.
