 - 7.2. Complete your enrolment by the agreed starting day for each of your sessions. This may lead to the cancellation of your student visa.
 - 7.3. Commence your course of study on the commencement date set out in your Letter of Offer and CoE. You acknowledge that if you fail to do so and have not been approved for a deferment of your course of study:
 - your offer of admission will lapse;
 - your CoE will be cancelled;
 - you may be required to lodge a new application for admission to the University; and
 - you may incur additional fees.
 - 7.4. Apply to International Admissions in writing no later than the census date if you wish to defer your studies and provide evidence of compelling or compassionate grounds for the deferral (**National Code 13.2**). In these circumstances, you agree to follow the procedure prescribed in the University’s Enrolment Policy and Admissions Policy.

 - 7.6. Pay the tuition fees for any additional units studied (including units repeated) at the rate that applies when you enrol in these units.
8. If you are a continuing student but do not enrol in your compulsory study session by the agreed starting day you will be regarded as having abandoned your course. You acknowledge that in these circumstances the University is required to start a process that may lead to the cancellation of your CoE. The cancellation of your CoE may lead to the cancellation of your student visa by DIBP.
9. You accept and agree that the University reserves the right to discontinue or vary units, courses, announcements, or staffing at any time. You can view updated course and unit information in the **online Handbook**.

FEES

10. You accept and agree that all tuition fees must be received in Australian dollars, directly to the University. Important: Notwithstanding the definition of “tuition fees” under the ESOS Act, you must pay all tuition fees directly to the University. Please do not pay your tuition fees to anyone other than the University. If someone other than you is paying your tuition fees, it is your responsibility to ensure they make their payment directly to the University. Otherwise, you risk being a victim of fraud and you may not be able to recover those tuition fees. If anyone asks you to pay your tuition fees to anyone other than the University, please call or email Western Sydney International immediately for assistance.
11. It is your responsibility to pay your tuition fees on time in accordance with the due date set by the University.
12. The University may increase your tuition fees at any time, but generally increases apply from 1 January each year. You can view the annual international student tuition fee for each course at westernsydney.edu.au/international/course_fees.

INTERNATIONAL STUDENT FEES AND REFUND AGREEMENT

 - 13.3. any other fees as prescribed by the University for your course, including the non-refundable deposit if you are a packaged student.

15. You acknowledge and agree that your deposit will be credited towards your tuition fees for your principal course.*

 - 16.1. You pay all tuition fees in full by the due date.
 - 16.2. You cannot re-enrol after the agreed starting period of the teaching session of study unless you first obtain permission from your unit coordinator in accordance with the **Enrolment Policy**.
17. If you do not pay your tuition fees by the due date the University will cancel your enrolment, unless you apply for and are granted an extension of time to pay in accordance with the procedure set out in the Student Fees Policy.

PART 3 – REFUNDS

OVERVIEW

18. If you are eligible for a refund of any tuition fees paid to the University under this Agreement, you may apply for a refund by completing and submitting the **Request for Fee Refund - International Students Only** form to Fees and Student Finance.
19. Applications for refunds are assessed strictly in accordance with the terms of this Agreement.
20. If approved, refunds are paid in Australian dollars.
21. All withdrawals are subject to the prescribed University withdrawal timelines and penalties.

REFUND WHERE THE UNIVERSITY DEFAULTS OR OFFER IS WITHDRAWN

22. In the unlikely event of a University default, or that your offer of a place is withdrawn, you are entitled to a refund of all tuition fees already paid but unused, unless:
 - 22.1. you have withdrawn or discontinued prior to the day of the University's default; or
 - 22.2. you have accepted another offer in a University course of study; or
 - 22.3. the circumstances specified in clauses 31 and 32 (No Refund) of this Agreement apply.
23. If the University offers you a place in another course of study, you may accept that offer, rather than apply for a refund. Any fees already paid including any deposit will be credited towards tuition fees payable for that other course of study.

REFUND BEFORE STUDENT VISA IS APPROVED

24. If your application for a student visa is rejected by DIBP, the lesser of \$500 or 5% of unused tuition fees paid to the University will be retained and all other course fees will be refunded. If you have paid your OSHC directly to the University, the University will process your OSHC refund. Otherwise you will have to claim a refund directly from your OSHC provider.
25. If you withdraw your application for a student visa after you accept an offer from the University but before your student visa is granted, you may apply for a refund of all tuition fees paid except in the circumstances specified in clauses 32 and 33 (No Refund) of this Agreement. The University is entitled to charge an administration fee of \$AUD500 for processing your application. You authorise the University to deduct this amount from any tuition fees already paid. You will be required to provide evidence of the withdrawal of your student visa application when you apply for a refund.

REFUND WHERE STUDENT DEFAULT

26. If you do not commence your course of study on the commencement date, and you have not previously withdrawn from your course of study with approval from the University, your CoE will be cancelled and your entitlement to a refund will be calculated in accordance with this Agreement, if you apply for one. For that purpose, the date of your withdrawal will be considered to be on the day of the course commencement date.
27. If you are a packaged student with an approved student visa and you withdraw from your course(s) of study, you are not entitled to a refund of your deposit for the principal course. You may be entitled to a refund of some of your unused tuition fees in your preliminary course(s) if you withdraw before the census date in any teaching session. The amount that the University may refund to you is determined by the notice period you give – see Summary of Refunds table attached.
28. If you are a non-packaged student with an approved student visa and you withdraw from your principal course of study before the due date of your first teaching session, you may be entitled to a refund of any unused tuition fees, except that the University will retain \$AUD5,000 as an administration fee.
29. If you are a continuing student and you withdraw before the due date, you may apply for a refund of all unused tuition fees.

REFUND WHERE STUDENT OBTAINS PERMANENT RESIDENCY

30. If you are an international student who, after commencing your studies but before the census date for that teaching session, receives approval from DIBP to change your visa status to permanent resident, you may be entitled to a refund of fees in certain circumstances in accordance with the Student Fees Policy. Any entitlement to a refund will be calculated from the date that you inform the University of your change in status. Please note that the University cannot change your status to permanent resident after the census date under any circumstances.

NO REFUND

31. You are not entitled to a refund of any tuition fees if:
 - 31.1. DIBP cancels your visa for any reason, including a breach of a condition of your visa;
 - 31.2. Any documents or information submitted by you or on your behalf as part of your application for admission or your application for a student visa are, or later found to be, fraudulent;
 - 31.3. You are suspended, excluded or expelled from the University following a finding of misconduct;
 - 31.4. You withdraw from a course of study after the census date in any teaching session, including preliminary courses for packaged students;
 - 31.5. Your enrolment is cancelled by the University due to your failure to pay your tuition fees by the due date (including if you are granted an extension of time);
 - 31.6. You withdraw from a unit of study for which tuition fees have been paid, but without permission to reduce your study load, and then subsequently withdraw from a course of study.
32. As a packaged student, you are not entitled to a refund of any deposit paid for packaged courses except as set out in this Agreement.

INTERNATIONAL STUDENT FEES AND REFUND AGREEMENT

(Effective 1 January 2017)

UNUSED TUITION FEES

33. You may be entitled to a refund of any unused portion of paid tuition fees if:
- 33.1. upon completion of the requirements of your course of study, you have a credit balance of tuition fees; or
 - 33.2. you fail to meet the University's academic progression rules and are subsequently excluded from your course of study.
34. If you withdraw from a unit of study with the University's approval before the census date, any portion of unused paid tuition fees will be credited towards another unit of study available in the same course. If you subsequently withdraw from your course of study, you will only be entitled to a refund if you first obtain permission to reduce your study load before withdrawing from the unit of study to which the credit applies.
35. If you are a packaged student and you do not successfully complete the entry requirements for the University component of your study package, you can apply for a deferred commencement for the next intake of the course of study. This will enable you to complete the preliminary course to satisfy the University entry requirements. You acknowledge that you cannot use the deposit applied to your principal course to cover tuition fees to satisfy entry requirements. Your non-refundable deposit will be held in credit and applied towards your principal course of study.

REFUND OF OSHC

36. You accept and agree that you must make your own arrangements to apply for a refund of any OSHC directly with the OSHC provider.

REFUNDS IN EXCEPTIONAL CIRCUMSTANCES

37. The University may consider an application for a refund in circumstances other than those set out in this Agreement only if you can demonstrate and provide evidence of compassionate or compelling circumstances beyond your control. For further guidance, see: **National Code Standard 13**.
38. The University reserves the right to require you to comply with its reasonable requests in relation to the provision of sufficient evidence to demonstrate exceptional circumstances. This may include, but is not limited to, attending upon any medical practitioner, counsellor or other health professional.
39. If your application for a refund in exceptional circumstances is refused, you may apply for a review of that decision to the Pro-Vice Chancellor (International) or their nominee.
