

PARKAR Rameez 19290573

Hi all! My name is Rameez, and I am a member of the Unite team for 2023!

The team and I will be fighting for Western Sydney University student's interests at the National Union of Students, but we need your support to deliver results.

Western Sydney University has never had the representation it deserves at a national level, and WSU Unite is committed to ensuring the NUS hears our voice.

Unite will be working with our national counterparts to ensure that regular updates of national level matters will be delivered to our students, as well as holding regular forums with students to allow collaboration on issues that all WSU students face.

I hope to represent you all at the NUS, and remember, check the ballot to vote for all Unite Candidates!

HODDER Heidi 18424094

I hope to assist in enhancing the welfare and wellbeing of students at WSU. I'm studying a Masters of Social Work and have close to two decades of experience working in mental health, disability, and university student services. I volunteer for Family Drug Support on their crisis line and facilitating support groups, for Scouts and Wesley Mission Aunties and Uncles. I have volunteered previously supporting refugee women in community palliative care and teaching English as a home tutor, in disability respite, for Australian Breastfeeding Association and in refugee and maternity care advocacy, death literacy and more. I am the eldest of seven and a mum to three boys. Growing up I experienced a mix of privilege (education, whiteness, nurturing parents who were passionate about social justice) and hardship (bullying, sudden poverty and bereavement, intergenerational trauma) which has led me to being open-minded and open-hearted.

DOAN Anna 20640893

Hi! My name is Anna and I am currently a student bravely returning to study a Masters in Social Work! I absolutely love learning and believe that education and an enthusiasm for knowledge is such an important part of life.

WSU for me has just been awesome. I love the people and the food here – deadly combination for happiness. I want students at Western to feel the same way I do– like they don't just come to University to class and then rack off home. I want it to be a place they still mention to their grandkids as the best university experience ever. That means, as a NUS Delegate, I aspire to make

university feel inclusive, cultured, and have a real sense of community! I want to change the policies and and hurdles that might affect the learning experiences for students. Would love and appreciate your vote!

SHARPE Tiffany 16836147

Worimi! I'm Tiffany, a current Undergraduate student studying Bachelor of Medical Science (Biomedical Science). Being a proud Indigenous woman of the Dharug Nation, proven to be a respected and self-motivated student leader with the strong initiative at Western Sydney University. I displayed my professional experiences in several positions across the university's student representation by implementing ideas from students' voices that directly impact student results. I am confident in my abilities to contribute positively to the NUS delegation to improve student outcomes. It's time to have a representative on NUS who can be the voice for Indigenous students. I want to make the change and be the voice of the students at Western Sydney University.

BRETT Jordan 22030482

Hi all! My name is Jordan, and I am a member of the Unite team for 2023!

The team and I will be fighting for WSU student's interests at the National Union of Students, but we need your support to deliver results.

As the current Residential Student Representative, my team and I have already done amazing things for students, but we're just getting started.

WSU has never had the representation it deserves at a national level, and Unite is committed to ensuring the NUS hears our voice.

Unite will be working with our national counterparts to ensure that regular updates of national level matters will be delivered to our students, as well as holding regular forums with students to allow collaboration on issues that all WSU students face.

REED Robert 17277873

I have been the SRC Disabilities Representative for the past two years and, in that time, have been involved in many committees and action groups to enhance the learning and experience of students with disability at WSU. During my time with the university, I have also been a strong advocate for the rights of carers, a role in the community which often also goes unnoticed despite the commitment to the position. If elected to the role of NUS Delegate, I will continue to advocate for greater inclusion for students with disability and carers, including a voice at varying levels of university hierarchy and those who create governance.

Compassion, understanding & advocacy. I will voice your concerns to ensure you are heard at all levels of student advocacy.

MICHAEL Emmanuel 22028132

The National Union of Students will give me the experience to learn and work in harmony with my fellow students, so, I would like to nominate myself for the candidature.

ABID Afroze 19874454

Dear Fellas. I'm looking forwards to represent the ideology and diversity of our amazing University nationally. I'll be needing your ideas and support in regards to that. That's why, I'd be looking forward for your suggestions before attending the National Union of Students conference later this year. Yours Truly :)

COX Rose 20399782

I love public speaking and representing the University. I believe that I would be a great NUS delegate. The opportunity to attend the conference for me would mean I could be an advocate for the things that I am passionate which is Education, Mental Health and Wellbeing.

PANTA Suresh 22040494

National Union of Students is a great platform to enhance the skills required for the betterment of oneself. This provides connections and diverse people to work with fostering the pool of ideas and numerous possible solutions. Being a candidate of NUS gives me a great privilege. I will give my best and work as per the policies.

Having demonstrated exceptional results as an accomplished student leader, I am actively pursuing a role as NUS delegate with the desire to undertake new challenges in student representation. Self-motivated with a high level of initiative, I have demonstrated a proven track record of achievement in service provision and implementation of projects that deliver the key objectives and outcomes of student needs. I am confident that I can make a positive contribution to the NUS delegation with the ability to support the design and implementation of a range of products and projects in line with our civic responsibility, to improve service delivery and operations to contribute to better outcomes for students.
