PART B – DISPUTE SETTLEMENT

11. DISPUTE SETTLEMENT

- 11.1 This clause sets out the process for dealing with a dispute regarding:

- (a) any matters arising under this Agreement; or
- (b) the NES.

- 11.2 A dispute settlement procedure may be initiated by:

- (a) an Employee;
- (b) the Union; or
- (c) the University.

- 11.3 An Employee who is a party to a dispute may choose to be assisted or represented by a Representative, who may be an official of the Union, at any stage of the process set out in this clause.

- 11.4 With the exception of critical issues of work health and safety, normal work will continue while the process set out in this clause is being followed, and a party to a dispute will not take any action to aggravate a matter in dispute. If the dispute relates to the expiry of a fixed term contract, termination of the contract will be deferred pending resolution of the dispute.

Process

- 11.5 In the first instance, the parties to a dispute must attempt to resolve the matter informally through discussion between the Employee and their Supervisor, unless it is not practicable to do so.

- 11.6 If informal discussions are unsuccessful or impracticable, a party must formally notify a dispute to the head of their academic unit. If there is a conflict of interest regarding the head of the relevant academic unit, the party must notify the dispute to the Chief People Officer (or their nominee), who will then follow the process set out in this clause.

- 11.7 Subject to subclause 11.8, the formal dispute notification must:

- (a) be in writing;
- (b) state that the notification is being made under this clause;

- (c) specify the clause(s) of this Agreement, or NES, in relation to which the dispute has arisen; and
 - (d) insofar as is possible, clearly state the nature of the dispute.
- 11.8 An urgent dispute may be formally notified verbally provided that a formal dispute notification is issued in writing as soon as possible after the verbal notification.
- 11.9 A formal dispute meeting will be held between the Employee and the head of the academic unit within 5 working days of the formal dispute notification, unless otherwise agreed.
- 11.10 At any stage during the process, a party may request an additional meeting with the other party to attempt to resolve the dispute and discuss any dispute resolution process they may wish to apply. Any such meeting must be held within 5 working days of the request being made, unless otherwise agreed. If the parties cannot agree on a dispute resolution process, the process in subclause 11.11 will apply.
- 11.11 Should the dispute not be resolved by the procedures referred to above, or if there is an identified urgent need to resolve the matter, either party to the dispute may refer the dispute to the FWC for conciliation and if necessary, arbitration. If the dispute is arbitrated by the FWC, the parties agree to be bound by a decision made by the FWC, subject to any right of appeal that may arise under the Act.
- 11.12 Nothing in this clause prevents the parties to a dispute from agreeing to refer the matter to a third party other than the FWC for resolution. If this occurs, the parties agree to be bound by the third party's recommendation to resolve the dispute.

PART C – EMPLOYMENT ARRANGEMENTS

- 13.8 At least 2 weeks before the end of the probationary period (including any extension), the Employee's Supervisor will conduct a final review and provide the Employee with a report. The Supervisor will:
- (a) confirm the Employee's employment if the Employee has achieved the required performance standard; or
 - (b) if identified performance concerns have not been resolved, refer the matter to the relevant Dean or Director for review and consideration.

Termination of employment

- 13.9 If performance concerns have been identified but not resolved, then subject to compliance with subclause 13.5 and following completion of at least:

- (a) probation be extended within the time limits prescribed by subclause 13.3;
- (b) the Employee's employment be confirmed; or
- (c) the Employee's employment be terminated.

Notice of termination

- 13.14 If an Employee's employment is terminated pursuant to this clause, the Employee will be provided with 6 months' notice or payment in lieu.

Serious Misconduct or Research Misconduct during the probationary period

- 13.15 Notwithstanding any other provision of this Agreement, the employment of a probationary Employee may be terminated at any time for Serious Misconduct or Research Misconduct, provided the Employee is given an opportunity to respond to any allegations before a decision to terminate is made.

No further appeal

- 13.16 Where a decision to take action has been made in accordance with this clause, no further appeal can be made within the University. Nothing in this clause will be construed as excluding the jurisdiction of any external court or tribunal which would be competent to deal with the matter.

14.23 The University will provide annual data regarding levels of casual academic employment to the Implementation Committee.¹

14.24 An ongoing or fixed term Employee may also work as a casual Employee if the casual work is unrelated to, or identifiably separate from, their normal duties.

16.3 If an Employee is appointed to a Position but their employment is terminated during the confirmation period pursuant to subclause 16.18 or subclause 16.19(b), the appointment will not count towards the target prescribed by subclause 16.2.

16.4 The University may create and advertise the Positions on a full-time or part-time basis, provided that the minimum fraction at which a position may be created and advertised is 0.4 FTE.

This may be extended for a further period of up to 1 year if the Employee has been absent from work for any reason to such an extent that it has not been possible to assess their performance during the initial confirmation period.

Process

16.15 During the confirmation period, the Employee's Supervisor will meet with the Employee:

- (a) to participate in the career development, planning, and review process prescribed by clause 25: *Academic Career Development, Planning, and Review*; and

- (b) as required to provide feedback about the Employee's performance, including in relation to whether the Employee is achieving, or progressing towards, a satisfactory level of research performance.

Termination of employment during confirmation period

16.18 If, after completion of the first year of the confirmation period, the Employee fails to improve their performance to the expected standard despite having been provided with a reasonable opportunity to do so then, subject to compliance with subclauses 16.16 and 16.17, the University may terminate the Employee's employment by providing 4 weeks' written notice of termination or payment in lieu thereof.

16.19 If an Employee is advised that their employment is to be terminated pursuant to subclause 16.18, the Employee may request that the matter be referred to the Senior Deputy Vice-Chancellor and Provost for a procedural review. Upon reviewing the matter, the Senior Deputy Vice-Chancellor and Provost may:

- (a) refer the matter back to the Employee's Supervisor to remedy any procedural deficiency identified by the Senior Deputy Vice-Chancellor and Provost; or
- (b) determine that there has been no procedural deficiency, in which case the decision to terminate the Employee's employment will be confirmed.

Reduction in use of casual employment

16.20 Over the nominal term of this Agreement, the University will reduce its use of casual employment by at least 25% on a FTE basis as compared to the University's proportional FTE casual academic workforce (excluding Clinical and Fieldwork supervision) at the date of commencement of the Agreement.

16.21 The reduction referred to in subclause 16.20 will be measured using the actual casual FTE staff data the University annually supplies to the Department of Education, Skills and Employment, with the March 2022 data being taken as the reference point.

- (c) be based upon:
 - (i) an upper limit of 50 EFTSL over the course of a calendar year in regard to small group teaching; and/or

 - (iii) an upper limit on marking of 150 students per teaching session. If this is exceeded, the Employee will be eligible for marking relief.

23.6 In applying the principles prescribed by subclause 23.5, each academic unit will consider:

- (a) the balance between undergraduate and postgraduate teaching;

- (b) any approved long service leave; and/or
- (c) any approved Professional Development Program leave.

 - (b) be consistent with the strategic plans and academic mission of the Employee's academic unit;
 - (c) take into account the nature of work undertaken in accordance with the Employee's previous Individual Work Agreements;
 - (d) provide for an equitable contribution and balance between the Employee's goals and aspirations as outlined in their Career Development Plan, and the goals, needs and commitments of the Employee's academic unit;
 - (e) take into account class sizes;
 - (f) allow for Individual Work Agreements to be varied during the year, by agreement between the Employee and their Supervisor, where circumstances change;
 - (g) provide a reasonable basis for determining comparison of workload quantum and content, taking into account factors which impact on the complexity, intensity, and level of the workload element; and
 - (h) be capable of being compared against each other, as well as against the Employee's previous Individual Work Agreement.
- 23.12 There will be published, open, and accessible procedures regarding the allocation of workloads, and each Supervisor and Employee will comply with this Agreement. Individual Work Agreements are not confidential documents and should not include any information that would preclude them being viewed by other Employees.
- 23.13 The content of each Employee's annual Individual Work Agreement will be used (amongst other things) as input to the Academic Career Development, Planning and Review process in relation to that Employee.
- 23.14 Where there is more work to be done than is specified in agreed Individual Work Agreements, this should be brought to the attention of the head of the Employee's academic unit for timely consideration in relation to staffing levels. Employees may be requested, but will not be pressured, to work beyond the requirements of their agreed Individual Work Agreements.
- 23.15 The content of an Employee's Individual Work Agreement will normally make provision for student consultation.
- 23.16 All Employees will have a right to negotiate some research duties as part of their Individual Work Agreements, however an Employee's entire workload may be allocated to activities other than research where the Employee:
- (a) has had opportunities to produce research outcomes; and
 - (b) in the preceding 3 years, without good reason, has consistently not produced evidence of reasonable productive engagement in research consistent with the expected outcomes for the Employee's academic level, discipline, and personal career plans.
- 23.17 The Academic Career Development, Planning and Review process is the ongoing reference point

for expected research outcomes. If an Employee has shown signs of positive research engagement, they will be invited to submit a research plan within the workload allocation process and finalisation of their Individual Work Agreement for the forthcoming period.

23.18 Employees who have a demonstrated record of achievement in research-related activities may have a substantial part of their workload allocated to research-related activities in their Individual Work Agreement.

23.19 An Employee who is currently enrolled for a research higher degree (RHD) may be allocated, within their Individual Work Agreement, a proportion of time to undertake such studies, provided that their research higher degree supervisor certifies that adequate progress has been made and the RHD is in a relevant discipline.

23.20 If an Employee takes approved leave that had not been foreshadowed in their Individual Work Agreement, the workload allocations within their Agreement will be adjusted accordingly.

23.21 If an Employee has been on sick leave, the workload allocation within the Employee's Individual Work Agreement will be consistent with any return to work plan(s) made in accordance with this Agreement.

23.27 Within the provisions of this clause and the Policy, an Employee will be entitled to negotiate with their Supervisor (or their nominee) an appropriate mix of the activities outlined above in their

Individual Work Agreement, and consider opportunities for the Employee to participate in, develop, and balance their expertise in a range of areas of academic work.

Content of Individual Work Agreements

23.28 An Employee's Individual Work Agreement will:

- (a) include, from the major areas of academic work, some elements of teaching including face-to-face teaching, and research or scholarly activity, unless otherwise approved by the head of the Employee's academic unit;

- (g) contain work that is consistent with the Employee's level of appointment, as described in the position classification standards in Schedule 4; and
- (h) be consistent with equal opportunity principles, policies, and practices, including any reasonable adjustments regarding the Employee's medical restrictions, or approved rehabilitation plans.

Employee responsibilities

23.29 All Employees must make arrangements to be accessible to their colleagues and students on a regular and advertised basis during the sessions in which they are teaching. Individual Work Agreements will make provision for regular and sufficient access and presence on campus by an Employee to ensure meaningful involvement in collegial activities with staff and engagement with students.

23.30 If an Employee plans to be absent from campus, they must inform their Supervisor of their contact details. A Supervisor may approve longer absences in advance.

23.31 During teaching sessions, Employees must be available to students for consultation in the subjects in which they are teaching, and consultation times must be made known to students and adhered to by the Employee.

23.32 It is the Employee's responsibility to inform their Supervisor of any changed circumstances (such as a change in enrolments) that may impact on their Individual Work Agreement.

Documentation

23.33 An Employee's Individual Work Agreement must be written and a copy kept by both the

Employee and the Supervisor. A copy of each Individual Work Agreement must also be stored in one place within the academic unit and must be available to other Employees of the unit, and the Academic Unit Work Plan Committee.

23.34 The Individual Work Agreement of an Employee will be:

- (a) signed and endorsed by the Employee;
- (b) recommended by the Supervisor;
- (c) approved by the head of the Employee's academic unit; and
- (d) agreed by the date provided in the Policy.

Resolution of disputes about workload allocation

23.35 If an Employee considers that their workload allocation has been made in breach of this clause, the matter will be referred to the relevant Academic Unit Work Plan Committee for determination, unless the dispute is too significant to be handled by that Committee.

23.36 If:

- (a) the dispute is too significant to be handled by the Academic Unit Work Plan Committee; or
- (b) the dispute cannot be resolved by that Committee;

the matter will be referred to the head of the Employee's academic unit for determination.

23.37 If the matter remains unresolved, either the Employee or head of the Employee's academic unit may refer the matter to the University Work Plan Committee, which will determine whether the workload allocation process has complied with:

- (a) this clause;
- (b) the University Work Plan Policy; and
- (c) the relevant academic unit Work Plan Policy.

23.38 The University Work Plan Committee will advise the parties of the outcome of the dispute as soon as reasonably practicable.

23.39 The University Work Plan Committee's determination will be binding, and there will be no right of appeal or further dispute in relation to the matter.

24. UNIVERSITY AND ACADEMIC UNIT WORK PLAN COMMITTEES

University Work Plan Committee

24.1 The University's Work Plan Committee will comprise:

- (a) a Chair, being a Deputy Vice-Chancellor nominated by the Vice-Chancellor and President or by a nominee of the Vice-Chancellor and President;

- 24.5 The University Work Plan Committee is expected to make decisions by consensus. If the Committee is unable to make a decision by consensus, the matter will be referred to the Implementation Committee, which will provide advice and recommendations to the University Work Plan Committee on work plan matters that have not been resolved.
- 24.6 Upon receipt of the Implementation Committee's advice and recommendations, the University Work Plan Committee will again attempt to make a decision by consensus. Where consensus cannot be reached, a decision will be made by a direct vote of the Committee and will take into account the advice and recommendations made by the Implementation Committee.

Academic Unit Work Plan Committees

- 24.7 The head of each academic unit will convene an Academic Unit Work Plan Committee comprising:
- (a) a Chair appointed by the head of the academic unit;
 - (b) at least 2 Employees appointed by the head of the academic unit; and
 - (c) Employees elected by Employees of the academic unit equal in number to those appointed under subclause 24.7(b).
- 24.8 The quorum for any meeting of the Academic Unit Work Plan Committee is 4 and must include the Chair (or their nominee) and 1 elected academic representative.
- 24.9 The Academic Unit Work Plan Committee will normally meet at least once in each half of the academic year and, in addition, as required in order to deal with any Individual Work Agreement disputes under subclause 23.35.
- 24.10 The role of the Academic Unit Work Plan Committee is to:
- (a) ensure the Academic Unit has a workload policy that reflects the principles of the University Work Plan Policy;

 - (d) monitor the equitable distribution of workloads across Employees in the academic unit;

- (e) report to the University Work Plan Committee on an annual basis; and
- (f) resolve disputes about Individual Work Agreements under subclause 23.35.

25. ACADEMIC CAREER DEVELOPMENT, PLANNING, AND REVIEW

25.1 The University is committed to providing Employees with opportunities for career planning and development through a number of initiatives, including the Academic Development Program.

25.2 Employees will be given:

- (a) the opportunity to be involved in the planning of their work, and to develop personal skills that complement their academic unit's goals; and
- (b) career development opportunities.

Supervision

25.3 The University will nominate a Supervisor for each Employee. The Supervisor will provide leadership and support to the Employee, as well as guidance and feedback on the Employee's performance and career development.

25.4 In exceptional circumstances, an Employee may request an alternative Supervisor. If the request is granted, the University may nominate an alternative supervisor who is approved by the head of the Employee's academic unit.

The Academic Career Development, Planning and Review process

25.5 All ongoing Employees and fixed-term Employees engaged for 12 months or more will participate in the Academic Career Development, Planning and Review (ACDPR) process.

25.6 If an Employee is on probation, ACDPR will be incorporated into the process prescribed by clause 13: *Probation*.

25.7 As part of the ACDPR process, Supervisors and Employees will:

- (a) meet at least annually to discuss the Employee's past performance and future development plans, for the purposes of which the Employee will provide their Supervisor with relevant information and documentation about the Employee's performance;
- (b) complete a Career Development Plan each year, and within a reasonable timeframe, consistent with the requirements of the Academic Unit Work Plan process; and
- (c) review the Plan at least once in the course of the academic year.

25.8 An Employee who does not participate in the ACDPR process cannot:

- (a) be promoted;
- (b) apply for Academic Development Program leave;
- (c) attend conferences paid for by the University, or held during University time; or
- (d) receive salary increments, or recruitment and retention loadings.

25.9 The ACDPR process will:

- (a) be informed by the Employee's annually updated Career Development Plan;
- (b) cover all aspects of the Employee's Work Plan;
- (c) provide the Employee with an opportunity to document and discuss their achievements and any ways in which their professional development may be facilitated;
- (d) ensure the Employee is aware of their responsibilities and duties, and the effect these have on the University's operations;
- (e) provide positive feedback and guidance as appropriate on the Employee's performance and development;
- (f) include an annual evaluation of research and research supervision; and
- (g) include an annual evaluation of teaching.

25.10 Academic units may augment the evaluation of teaching with a program of peer review and mentoring. If this occurs, peer reviewers will be approved by the Supervisor in consultation with the Employee. Where agreement cannot be reached on reviewers, an Employee may request an alternative peer reviewer on reasonable grounds and the Supervisor will not unreasonably refuse such a request.

Evaluation of teaching and research

25.11 As part of the ACDPR process, all Employees are required to undergo annual evaluation of:

- (a) the full range of their teaching activities;
- (b) the subjects in which they teach; and
- (c) their research and research supervision.

25.12 The ACDPR process will incorporate:

- (a) a range of evaluative data to assess the Employee's teaching and subject-related activities, and research activities including supervision;
- (b) the Employee's response to the evaluative data; and
- (c) any plans to address areas identified as needing development.

25.13 The evaluative data referred to in subclause 25.12(a) will be accessible to the Employee's Supervisor and the head of the Employee's academic unit.

25.14 Evaluation of teaching must be considered in the context of the teaching and learning environment. Student evaluation data cannot be used as the sole measure of an Employee's teaching.

25.15 The University may use, for any purpose, aggregate findings about the relevance and quality of courses and subjects in terms of student needs and expectations.

The ACDPR Report

25.16 The ACDPR Report will include the following:

- (a) the date on which the review meeting took place;
- (b) a summary of the Employee's achievements;
- (c) a summary of any areas of concern regarding the Employee's performance;
- (d) agreed strategies that address any areas identified as needing improvement;
- (e) a summary of any problems being experienced by the Employee; and
- (f) any other relevant information.

25.17 The Employee will be given an opportunity to read, comment on, and authorise the ACDPR Report.

25.18 The completed ACDPR Report will be provided to the head of the academic unit if requested.

25.19 The ACDPR Report will form part of subsequent reviews.

Unsatisfactory performance

25.20 If a Supervisor is of the view that an Employee's performance and/or development is unsatisfactory, the Supervisor will consult the head of the academic unit, and the matter will be dealt with in accordance with clause 48: *Unsatisfactory Performance*.

PART G – FLEXIBLE WORK PROVISIONS

26. FLEXIBLE WORK PROVISIONS

26.1 It is acknowledged that flexible work provisions are provided for throughout this Agreement including, but not limited to, the following clauses:

- (a) clause 7: *Individual Flexibility Arrangements*;
- (b) clause 27: *Right to Request Flexible Working Arrangements*;
- (c) clause 31: *Personal Leave*;
- (d) clause 32: *Cultural and Ceremonial Leave for Aboriginal and Torres Strait Islander Peoples Employees*;
- (e) clause 32: *Sick Leave*;
- (f) clause 33: *Parental Leave*;
- (g) clause 34: *Partner Leave*; and
- (h) clause 40: *Leave Without Pay*.

27. RIGHT TO REQUEST FLEXIBLE WORKING ARRANGEMENTS

Eligibility

27.1 A request for flexible working arrangements may be made by:

- (a) an ongoing or fixed term Employee with at least 12 months of Continuous Service; and

- (b) a casual Employee who has been engaged on a regular and systematic basis for at least 12 months immediately prior to making the request, and has a reasonable expectation of ongoing employment on a regular and systematic basis.

27.2 An eligible Employee may make a request for flexible working if the Employee:

- (a) is the parent, or has responsibility for the care, of a child who is school age or younger;
- (b) is a carer within the meaning of the *Carers (Recognition) Act 2010 (NSW)*;
- (c) has a disability;
- (d) is 55 or older;
- (e) is experiencing violence from a member of their family; or
- (f) provides care or support to a member of their immediate family or household who requires care or support because they are experiencing violence from the member's family.

Definitions

27.3 For the purposes of subclause 27.2(f), **immediate family** means:

- (a) a spouse, de facto partner, child, parent, grandparent, grandchild, or sibling of the Employee; or
- (b) a child, parent, grandparent, grandchild, or sibling of a spouse or de facto partner of the Employee.

Examples of flexible working arrangements

27.4 Flexible working arrangements may include, but are not limited to:

- (a) changing from full-time to part-time work (and, where applicable, returning to full-time work subject to the availability of return to full-time work where a replacement Employee has been engaged);
- (b) job sharing;
- (c) changing start and finish times within hours of work regulated by this Agreement;
- (d) decreasing hours of work;
- (e) flexible working hours;
- (f) leave without pay; and
- (g) remote working arrangements.

Process

27.5 A request for flexible working arrangements must be made in writing to an Employee's Supervisor setting out the details of the change sought and the reasons for the change.

27.6 The Supervisor may decline a request for flexible working arrangements only on reasonable business grounds which include, but are not limited to:

- (a) the requested working arrangements would be too costly for the University;
- (b) there is no capacity to change the working arrangements of other Employees to accommodate the requested working arrangements;
- (c) the requested working arrangements would be likely to result in significant loss of efficiency or productivity; or
- (d) the requested working arrangements would be likely to have a significant negative impact on services.

27.7 The Supervisor will genuinely consider a request for flexible working arrangements. Before responding to a request, the Supervisor must discuss the request with the Employee and genuinely try to reach agreement on a change in working arrangements that will reasonably accommodate the Employee's circumstances having regard to:

- (a) the Employee's needs arising from their circumstances;
- (b) the consequences for the Employee if the requested changes are not made; and
- (c) any reasonable business grounds for refusing the request.

27.8 The Supervisor will respond to a request for flexible working arrangements in writing within 21 days and advise whether the request has been approved or declined.

27.9 If the request is declined and the Supervisor has not reached an agreement with the Employee under subclause 27.7, the Supervisor's response to the request must include details of the reasons for the refusal, including the business ground(s) for the refusal and how they apply to the Employee.

27.10 If the Supervisor and the Employee could not agree on a change in working arrangements under subclause 27.7, the Supervisor's written response must:

- (a) state whether or not there are any changes in working arrangements the University can offer the Employee so as to better accommodate the Employee's circumstances; and
- (b) if the University can offer the Employee such changes in working arrangements, set out those changes.

27.11 If the Supervisor and the Employee reached an agreement under subclause 27.7 about working arrangements that are different to those initially requested by the Employee, the Supervisor's written response must set out details of those agreed changes.

27.12 If the Supervisor declines an application for flexible working arrangements, the Employee may make a further application:

- (a) if the Employee's circumstances change; or
- (b) after 6 months have elapsed following the initial request being made.

27.13 Information regarding the right to request flexible working arrangements will be made available on the University's website.

PART H – LEAVE ENTITLEMENTS

28. ANNUAL LEAVE

28.1 This clause does not apply to casual Employees.

Entitlement

28.2 A full-time Employee is entitled to 20 days of annual leave at their Base Rate of Pay per year of service.

28.3 A full-time Employee who is a Shiftworker is entitled to an additional 5 days of annual leave at their Base Rate of Pay per year of service.

28.4 Annual leave accrues on a daily basis.

28.5 Part-time Employees accrue annual leave on a pro rata basis.

28.6 Annual leave accrues at half the ordinary rate whilst an Employee is on any form of leave on half pay.

28.7 Annual leave is in addition to any Public Holiday(s) occurring during the period of leave.

28.8 If an Employee who is eligible for sick leave produces a satisfactory medical certificate that they were ill or injured whilst on annual leave, the University will:

- (a) re-credit the Employee with an equivalent period of annual leave; and
- (b) deduct an equivalent period of sick leave.

28.9 If an Employee has accrued annual leave but their employment ends before they take the leave, they will receive payment in lieu based on their Salary at end of their employment.

28.10 If an Employee dies, payment in lieu of the Employee's accrued annual leave entitlement will be made to Employee's personal legal representative, unless paid to the Employee's estate.

Taking annual leave

28.11 Annual leave will be taken at times agreed between an Employee and their Supervisor. Supervisors have a responsibility to facilitate leave planning and the ability for Employees to take annual leave.

28.12 During each calendar year, a full-time Employee must take at least 15 days of annual leave unless the Employee does not have sufficient leave accrued. The University may defer this requirement on a case-by-case basis provided the Employee takes 30 days of annual leave within 2 years. This requirement applies on a pro rata basis for part-time Employees.

Direction to take annual leave

28.13 If a full-time Employee has accrued more than 40 days of annual leave:

- (a) the Employee and their Supervisor may, in the first instance, genuinely try to reach agreement about how to reduce or eliminate the excessive leave accrual; and

- (b) if agreement cannot be reached (including because the Employee refuses to confer with their Supervisor), the University may direct the Employee in writing to take annual leave, subject to the provisions of subclause 28.14.

This requirement applies on a pro rata basis for part-time Employees.

28.14 A direction to take annual leave must not:

- (a) result in the Employee's remaining accrued balance being less than 30 days when any other paid annual leave arrangements are taken into account;
- (b) require the Employee to take any period of annual leave of less than 5 days;
- (c) require the Employee to take annual leave less than 8 weeks, or more than 12 months, after the direction is given; and
- (d) be inconsistent with any other leave arrangement agreed between the Employee and their Supervisor.

28.15 If an Employee has been directed to take annual leave under subclause 28.13(b), the Employee's Supervisor will not unreasonably refuse the Employee's application for annual leave on alternative dates, provided these alternative dates are within an 8-week period either side of the dates directed.

28.16 An Employee who has given written notice of their intended date of retirement will not be directed to take annual leave within 12 months of that date.

29. CHRISTMAS AND NEW YEAR SHUTDOWN

29.1 This clause does not apply to casual Employees.

29.2 The University may shut down over the Christmas and New Year period. If this occurs, the University:

- (a) will grant 2 Concessional Days to Employees during the shutdown period;
- (b) will allocate 1 day in lieu of the Bank Holiday in accordance with clause 43: *Public Holidays*; and
- (c) may direct Employees to take up to 4 days of annual leave on working days that fall during the shutdown, other than days that are Public Holidays and/or Concessional Days.

29.3 An Employee may elect to take accrued long service leave or leave without pay instead of annual leave during the shutdown.

29.4 In exceptional circumstances, an Employee who has exhausted their leave entitlements may make an application to the Chief People Officer (or their nominee), for leave in advance to cover mandated leave dates. An application will not be unreasonably refused.

29.5 An Employee who is directed to work on a Concessional Day(s) will be entitled to take the day(s) at another time by agreement with their Supervisor.

30. LONG SERVICE LEAVE

Eligibility

- 30.1 Casual Employees are entitled to long service leave in accordance with the *Long Service Leave Act 1955* (NSW) as amended or replaced from time to time.
- 30.2 For the purposes of this clause and subject to subclause 30.10, **continuous service** is service with the University without a break of more than 8 weeks on any one occasion.

Entitlement

- 30.3 Upon completion of 10 years of continuous service, a full-time Employee is entitled to 3 months' long service leave at the Employee's Base Rate of Pay. Thereafter, a full-time Employee will continue to accrue long service leave as follows:
- (a) for continuous service of between 10 and 15 years' duration: leave will accrue on a pro rata basis at the rate of 1.5 months' leave per 5 years of continuous service; and
 - (b) for continuous service of more than 15 years' duration: leave will accrue on a pro rata basis at the rate of 2.5 months' leave per 5 years of continuous service.
- 30.4 Part-time Employees and Employees with a combination of full-time and part-time service accrue long service leave on a pro rata basis.
- 30.5 An Employee may elect to take long service leave at half pay.
- 30.6 If a full-time Employee has completed at least 5 years, but less than 10 years, of continuous service and their employment is terminated:
- (a) by the University for any reason other than for Serious Misconduct;
 - (b) by the Employee on account of illness, incapacity, or domestic or other pressing necessity;
 - (c) by the Employee's death; or
 - (d) by the conclusion of a fixed-term Employee's second or subsequent contract;

they will be entitled to a proportionate amount of long service leave at the rate of 3 months of leave at their Base Rate of Pay for 10 years of continuous service (pro rata for part-time Employees).

- 30.7 If an Employee has accrued long service leave but their employment ends before they take the leave, they will receive payment in lieu based on their Salary at the end of their employment.
- 30.8 If an Employee dies, payment in lieu of the Employee's accrued long service leave entitlement will be made to the Employee's personal legal representative, unless paid to the Employee's estate.

Recognition of prior long service leave credits

- 30.9 The University will recognise long service leave accruals for prior service with other Australian higher education institutions that recognise transferability of long service leave credits, and any University entity in which the University has more than a 50 per cent controlled interest, provided that:

- (a) the period between cessation of employment with the former employer and commencement of employment with the University is 8 weeks or less, however this period will not count towards length of service;
- (b) if the Employee has taken long service leave with their former employer, they will not be entitled to long service leave for the period of service for which leave has been taken, however this period of service will be included as qualifying service for determining eligibility for long service leave and the rate of accrual;
- (c) if the Employee has been paid, or is eligible to be paid, in lieu of long service leave by their former employer, they will not be entitled to long service leave for the period of service for which leave has been paid or is eligible to be paid, however this period of service will be included as qualifying service for determining eligibility for long service leave and the rate of accrual; and
- (d) an Employee will be required to serve at least 5 years with the University before taking or being paid in lieu of long service leave, except that payment in lieu will be made if an Employee dies, retires, receives an ill health benefit under the provisions of their superannuation fund, accepts redundancy or is retrenched.

Recognition of prior casual service

30.10 For the purposes of this clause, the University will recognise an ongoing or fixed-term Employee's prior casual service with the University if the casual service was:

- (a) performed on a regular and systematic basis;
- (b) for a minimum period of 12 months without a break of more than 16 weeks on any single occasion; and
- (c) immediately in conjunction with the period of ongoing or fixed-term employment.

Calculating service for long service leave purposes

30.11 In calculating service to establish long service leave entitlements:

- (a) leave without pay will not count as service, except:
 - (i) leave without pay up of to 6 months will count as service after an Employee has completed 10 or more years of continuous service; but
 - (ii) if the period of leave without pay is for more than 6 months, the whole of the period will not count as service; and
- (b) any period of leave without pay for service in the Australian Defence Force Reserves will count as service.

Taking long service leave

- (a) attending legal proceedings, counselling, and/or appointments with a health or legal practitioner; and/or
 - (b) making relocation or other safety arrangements; and/or
 - (c) other activities associated with the experience of family and domestic violence.

This entitlement is available in full at the start of each 12-month period of an Employee's employment but does not accumulate from year to year.

- 37.6 An Employee may also apply for additional paid family and domestic violence leave.
- 37.7 Applications for paid domestic and family violence leave under subclauses 37.5 and 37.6 may be made to the Office of People on a confidential basis (including directly to the Chief People Officer). Any such requests will be determined by the Chief People Officer.

Additional support

- 37.8 The University is committed to providing support to Employees who are experiencing family and domestic violence. The types of support that may be provided will be determined on a case-by-case basis, but may include:
- (a) access to flexible working arrangements; and/or
 - (b) counselling via the University's Employee Assistance Program; and/or
 - (c) additional paid family and domestic and family violence leave in accordance with subclause 37.6.

Such evidence may include a document issued by the police service, a court, a doctor or health practitioner (including a medical

certificate), district nurse, maternal and child health care nurse, a family violence support service, a lawyer, or a statutory declaration.

Employee providing support to another person

- 37.11 An Employee who is supporting a person experiencing family and domestic violence, and who requires time off work for that purpose, may apply for leave without pay, personal leave under clause 31: *Personal Leave*, or witness leave under clause 38: *Jury Service and Witnesses*, as appropriate.

- (a) up to 16 days on full pay for annual training;

- (b) up to 16 days on full pay for attendance at a school, class or course of instruction; and
- (c) up to 4 additional days, if the Commanding Officer of a unit of the Reserves in which an Employee serves certifies in writing that it is necessary for the Employee to attend obligatory training.

39.3 If an Employee requires additional leave for Defence Force Reserves purposes, the Employee may elect to take annual leave, long service leave, or leave without pay.

40. EMERGENCY SERVICES CALLOUT LEAVE

40.1 An Employee who is a member of a voluntary Emergency Services organisation that is an accredited organisation as defined by the *State Emergency and Rescue Management Act 1989 (NSW)* (as amended or replaced from time to time) to assist in firefighting or other forms of emergency assistance may be granted paid leave during an emergency declared by authority of the *State Emergency Service Act 1989 (NSW)* (as amended or replaced from time to time).

41. LEAVE WITHOUT PAY

41.1 This clause does not apply to casual Employees.

41.2 An Employee who has completed at least 18 months of Continuous Service may apply for leave without pay. The University may waive this qualifying period in cases of pressing personal or domestic hardship.

41.3 The University will not unreasonably withhold its consent when considering an application for leave without pay.

41.4 The maximum period of leave without pay that may be approved is 12 months. The University may extend this for a further period of up to 12 months in special circumstances.

41.5 The granting of any extended leave without pay will be dependent on prior satisfactory service.

41.6 Leave without pay may not be granted if it will unduly disrupt the operations of the Employee's academic unit.

41.7 An Employee may apply for leave without pay for any purpose that is not specifically prohibited by this clause.

41.8 Subject to subclause 41.9, an Employee must not use leave without pay to explore employment opportunities outside the University and will be expected to return to work at the end of their leave.

41.9 An Employee may apply for leave without pay to undertake a position (whether as an employee or a volunteer) with an external organisation for a period of up to 12 months if:

- (a) the Employee has received an offer from the external organisation;

- (b) the position represents a professional development opportunity for the Employee; and
- (c) the position is related to the Employee's role at the University.

If an Employee takes leave without pay for this reason, the period of leave will not break the Employee's Continuous Service provided that the Employee returns to their employment with the University for a period of at least 12 months following conclusion of the leave.

- 41.10 An Employee must notify the University of any change in the circumstances for which leave without pay was granted, in which case the University may require the Employee to return to work by providing 4 weeks' written notice. The Employee will not, however, have an automatic right to return to work prior to the end of the agreed period of leave.
- 41.11 Subject to subclause 41.9, except for leave without pay for service with the Australian Defence Force Reserves:
- (a) leave without pay of more than 5 days does not count as service in calculating the length of an incremental period; and

42. SUPPORT FOR ORGAN DONORS

- 42.1 An Employee must notify their Supervisor as soon as possible of their intention to donate a kidney or partial liver and provide supporting medical documentation from their medical practitioner.
- 42.2 Where a medical practitioner confirms that the Employee is able to proceed with the donation surgery, the University will:
- (a) regard the Employee as being on authorised absence from duty during the period required to undergo and recover from surgery, for a period of up to 6 weeks; and
 - (b) make payments to the Employee equal to the difference between any payments received by the University from the Federal Government (under the Federal Government's Living Organ Donor Scheme) and the Employee's Base Salary, for a period of up to 6 weeks.

43. GENDER AFFIRMATION LEAVE

- 43.1 This clause does not apply to casual Employees.

Entitlement

- 43.2 A full-time Employee is entitled to up to 20 days of paid gender affirmation leave per annum for the purposes of taking steps to affirm their gender. The gender affirmation process may include:
- (a) social affirmation (for example, changing the Employee's pronouns and/or name);
 - (b) medical affirmation (for example, surgery and/or hormone therapy, attendance at medical and/or counselling appointments, and rest and recovery from medical procedures); and/or
 - (c) legal affirmation (for example, legally changing the Employee's name and/or gender marker on personal identification documents such as the Employee's passport, birth certificate, driver licence, and banking documentation).

- 43.3 A part-time Employee is entitled to paid gender affirmation leave on a pro rata basis.
- 43.4 Unused gender affirmation leave does not accrue from year to year.
- 43.5 The University will protect the privacy and maintain confidentiality of information given by an Employee under this clause.

Taking gender affirmation leave

- 43.6 An Employee may take gender affirmation leave in one block or in lesser periods as required.
- 43.7 If an Employee has exhausted their paid gender affirmation leave entitlement and they require additional leave to complete social or legal affirmation processes, they may use their accrued annual or long service leave, or a period of leave without pay as agreed with their Supervisor.
- 43.8 If an Employee has exhausted their paid gender affirmation leave entitlement and they require additional leave to complete medical affirmation, they may take paid sick leave or sick leave without pay in accordance with clause 33: *Sick Leave* to the extent of the entitlement available at the time the leave is required.
- 43.9 Periods of paid gender affirmation leave will count as service for all purposes.

Notice and evidence requirements for gender affirmation leave

- 43.10 An Employee must give notice to the University of the Employee’s intention to take gender affirmation leave as soon as practicable. Such notice must:
 - (a) advise the University of the period of leave proposed to be taken; and
 - (b) be accompanied by evidence that would satisfy a reasonable person that the leave is being taken for gender affirmation purposes. Such evidence may include a medical certificate or letter from the Employee’s Registered Health Practitioner or statutory declaration by the Employee.
- 43.11 Any application for leave without pay or sick leave without pay pursuant to subclauses 43.8 or 43.9 must also be accompanied by the evidence referred to in subclause 43.11(b).

PART I – MANAGING CHANGE

45. JOB SECURITY

- 45.1 Job security is important for the University to function effectively and achieve its strategic goals.
- 45.2 The University recognises the value of attracting, developing, and retaining high quality staff on merit, and on an ongoing basis. It is not the University's intention to use casual employment to fill positions that could otherwise reasonably be filled on an ongoing or fixed term basis.
- 45.3 Over the nominal term of this Agreement, the University will seek to:
- (a) minimise retrenchments where possible; and
 - (b) not increase casual employment at the expense of ongoing employment.
- 45.4 The University will advertise all level A positions internally in the first instance. A casual Employee will be eligible to apply for such a position if they have been employed by the University for at least 2 teaching sessions in the 24 months prior to the position being advertised.

46. ORGANISATIONAL CHANGE

- 46.1 During the nominal term of this Agreement and subject to any exceptional circumstances that may arise (including substantial adverse changes in Government funding or major negative economic disruption), an Employee will not be subject to more than one organisational change process that may result in the termination of the Employee's employment on the ground of redundancy. This limitation will not apply to any form of voluntary separation, including calls for expressions of interest in voluntary redundancy.

Definitions

- 46.2 For the purposes of this clause:
- (a) **consultation** means:
 - (i) the sharing of relevant information, including the nature of the proposed change and its impact on directly affected Employees, with directly affected Employees, the Union, and any appointed Representatives;
 - (ii) directly affected Employees, the Unions, and any appointed Representatives being given the opportunity to express their views and contribute in a timely fashion;
and
 - (iii) the views of directly affected Employees, the Union, and any appointed Representatives being valued and taken into account by the University;
 - (b) Employees are **directly affected** if proposed organisational change is likely to have a significant impact on their work practices, working conditions, job security, and/or employment prospects;

- (c) **minor change** is organisational change that does not fall within the definition of significant organisational change;
- (d) **outsourcing** means replacing or replicating the work specifically and directly performed by an Employee at the time outsourcing is proposed with a contract for service or work by an organisation (including a controlled entity) or someone who is not an Employee; and
- (e) **significant organisational change** may include the following outcomes:
 - (i) termination of employment (including redundancy);
 - (ii) changes to the composition or size of the workforce;
 - (iii) closure of a University academic unit(s);
 - (iv) introduction of significant technological change;
 - (v) changes to course or unit offerings which change the staffing profile required to teach and/or support the delivery of the course or unit or will significantly impact upon the workload of Employees;
 - (vi) significant changes to work practices, core duties and times and/or hours of operation of directly affected Employees' academic units;
 - (vii) relocating directly affected Employees to another campus; and/or
 - (viii) a significant reduction in employment or significant adverse impact on employment opportunities (including redeployment).

Representation

- 46.3 A directly affected Employee may choose to seek the advice, representation and support of their Union during consultation, or appoint a Representative to assist them for the purposes of this clause.

Consultation on proposed organisational change

- 46.4 Effective organisational change requires genuine consultation. To achieve this, the University will consult with all Employees who may be directly affected by proposed significant organisational change, including Employees on leave or secondment.
- 46.5 The process of academic planning, including decisions on the academic offerings of the University, do not require consultation under this clause, unless a decision made as part of academic planning leads to a proposal for significant organisational change.

Minor change

- 46.6 Minor change will be addressed at the local level through discussion with directly affected Employees and, if appropriate, the academic unit.
- 46.7 In cases of proposed minor change, the formal change process will not apply if:
- (a) all directly affected Employees in the relevant academic unit have been involved in discussion and consideration of the change; and
 - (b) all of those Employees agree with the proposed minor change.

- 46.8 If directly affected Employees advise the University, either directly or through their Union or appointed Representative that they do not agree with the proposed minor change, the formal change process will apply.

Discussions before a change proposal is developed

- 46.9 The University will discuss with directly affected Employees issues that might lead to change before developing a change proposal. Such discussions may include the preparation of an issues paper, which would be made available to directly affected Employees of the academic unit prior to the development and release of a formal change proposal.

Outsourcing

- 46.10 A proposal for outsourcing will not be justified primarily on the basis that an outside service provider has lower rates of pay than the University.
- 46.11 If outsourcing is proposed, the University will make an issues paper available to directly affected Employees prior to the release of a formal change proposal that includes the provision of evidence to support the case for outsourcing.
- 46.12 The University will also report to the Implementation Committee about any outsourcing proposal and will forward any organisational change proposal involving outsourcing to the Implementation Committee at the time the proposal is released to Employees.

Developing a change proposal

- 46.13 The University will develop a written change proposal covering the following issues if significant organisational change is proposed:
- (a) type and nature of the proposed change;
 - (b) reason(s) for the proposed change, including any financial reason(s);
 - (c) current staffing profile and/or current location;
 - (d) proposed staffing profile and location changes;
 - (e) impact on Employees and their work in the affected academic unit, including:
 - (i) any increases to workloads; and
 - (ii) proposals to mitigate the effect of any increases to workloads, including the redistribution of any remaining work from a position(s) proposed to be disestablished;
 - (f) suggestions for mitigating any negative consequences for directly affected Employees;
 - (g) evidence to support any case for outsourcing;
 - (h) any impact on Employees in another academic unit;
 - (i) any health and safety implications;
 - (j) any equity implications;
 - (k) financial impact;

- (l) a proposed implementation plan, including indicative timeframes and any transitional arrangements; and
- (m) details of the post-restructure review to be conducted under subclause 46.35 or where the University has determined that such a review would not be appropriate, the reasons for that determination.

The consultation process

- 46.14 A change proposal will be sent to all directly affected Employees, the Union, and any appointed Representatives, including any Employees on leave or secondment, allowing at least 10 working days for feedback.
- 46.15 As soon as practicable after the release of a change proposal, the University will consult with all directly affected Employees, the Union, and any appointed Representatives. Where practicable, consultation will take the form of face-to-face meetings.
- 46.16 During the consultation process, an Employee whose position is proposed to be discontinued may:
- (a) suggest measures to mitigate any negative consequences for the Employee if the change proposal is approved for implementation; or
 - (b) make a direct submission to the Employment Executive Member about the proposed discontinuation of their position. The Employment Executive Member will consider the Employee's submission and advise the Employee of their determination within 7 days.
- 46.17 Following consultation and taking into account feedback from directly affected Employees, the Union, and any appointed Representatives, the University will finalise the change proposal.
- 46.18 Where any work remaining from a disestablished position(s) cannot be accommodated within the available workload(s) of remaining ongoing and fixed term Employees, the position(s) will not be disestablished.

Distribution of final change plan

- 46.19 The University will distribute the approved final change plan, together with a Management Response document, to all directly affected Employees, the Union, and any appointed Representatives before implementing the plan.
- 46.20 The final change plan will also:
- (a) include responses to all concerns and/or issues raised by Employees, the Union, and any appointed Representatives; and
 - (b) confirm the manner in which any work remaining from a disestablished position(s) will be redistributed, provided that any such work must be accommodated within the ordinary hours of remaining ongoing and fixed term Employees and any applicable workload limits prescribed by clause 23: *Academic Workloads*.

Implementation of final change plan

- 46.21 The University will consult with directly affected Employees, the Union, and any appointed Representatives about the process of implementing the change plan, including any measures that could be taken to mitigate any negative consequences for directly affected Employees.

46.22 The University will use retrenchment as a last resort. When retrenchment occurs, the University will make available career transition services to an agreed service level upon request by an affected ongoing Employee.

Relocation

46.23 If organisational change results in an ongoing or fixed term Employee being relocated to a different campus and this would result in an unreasonable increase in the Employee's travel time or, costs, or unreasonably impact on the Employee's family or carer's responsibilities, the University will, if practicable, consider the following relocation options:

- (a) voluntary swap with another Employee in a similar position at a different location;
- (b) flexible work practices, such as working at the new location for an agreed number of days per week;
- (c) working in the new location for a trial period;
- (d) working remotely for a trial period;
- (e) a combination of working in the new location and remotely for a trial period; or
- (f) any other options suggested by the Employee, their Union or Representative, and the University.

46.24 Relocation options, other than a voluntary position swap, will be reviewed after 12 weeks and either confirmed or, if the option proves unworkable or the relocation remains unreasonable for the Employee, the Employee will then become displaced and clause 46: *Redeployment and Redundancy* will apply.

Restructuring

46.25 If an academic unit is restructured, and:

- (a) there are the same or fewer directly affected ongoing Employees as there are substantially the same positions in the new structure; and
- (b) a position that is substantially the same as that previously held by a directly affected Employee exists in the new structure;

that Employee will be entitled to continue their employment with the University in that position.

46.26 If an academic unit is restructured and there are more directly affected ongoing Employees than there are substantially the same positions in the new structure, the University may call for expressions of interest in voluntary redundancy from directly affected ongoing Employees.

46.27 Within 20 working days of receiving an expression of interest in voluntary redundancy from an Employee, the University will advise the Employee in writing as to whether the Employee will be offered voluntary redundancy. If voluntary redundancy is offered to an Employee, then the redundancy provisions prescribed by clause 47: *Redeployment and Redundancy* will apply.

46.28 If after calling for expressions of interest in voluntary redundancy, there remain more directly affected ongoing Employees than there are substantially the same positions in the new structure, the University will place the remaining affected Employees into the positions using a merit-based selection process.

46.29 A directly affected ongoing Employee who is not placed in the new structure will become an **eligible Employee**.

46.30 The University may place an eligible Employee in a new or vacant position in the new structure if:

- (a) the position is suitable; and
- (b) the eligible Employee agrees to the placement, such agreement will not be unreasonably withheld.

46.31 A suitable position is one for which the eligible Employee possesses the necessary essential skills, qualifications and/or experience, or is likely to attain them following a reasonable period of retraining, and which is equivalent in Salary to the eligible Employee's previous position. The process of placement will be supported by a centrally administered capability assessment process.

46.32 If an eligible Employee agrees, the University may place them in a new or vacant position at a lower level in the new structure with Salary maintained for all purposes at the level of their previous position for 12 months, after which it will be reduced to the maximum salary step of the position.

46.33 If there are 2 or more eligible Employees being considered for placement in a suitable new or vacant position in the new structure, placement will be determined using a merit-based selection process.

46.34 An eligible Employee who is not placed will become a displaced employee and clause 47: *Redeployment and Redundancy* will apply.

Post-restructure review

46.35 Within 12 months of the final change plan being released, the University will conduct a review of the implemented change as against the rationale and expected outcomes detailed in the change plan, including any persistent increase to workloads that affected Employees believe is a result of the change. As part of the review, the University will:

- (a) provide Employees in the relevant academic unit (whether directly affected by the implemented change or otherwise), the Union, and any appointed Representatives with an opportunity to comment on any persistent increase to workloads that affected Employees believe is a result of the change, including any increase resulting from the redistribution of work previously undertaken by a disestablished position(s);
- (b) assess whether, as a result of the change, the work of disestablished position(s) has been accommodated within the available workloads of remaining ongoing and fixed term Employees; and
- (c) where work remaining from a disestablished position(s) has not been successfully accommodated within the available workloads of remaining ongoing and fixed term Employees, the University will outline a proposal to remedy work intensification, including the creation of new position(s).

46.36 The University will:

- (a) provide a copy of the draft post-restructure review report to directly affected Employees, the Union, and any appointed Representatives for their comment; and
- (b) incorporate any feedback received from directly affected Employees, the Union, and any appointed Representatives into the final report.

47. REDEPLOYMENT AND REDUNDANCY

47.1 This clause does not apply to casual or fixed term Employees.

Displaced Employees

47.2 Organisational change may result in an ongoing Employee being displaced because the University no longer requires the Employee's job to be performed by anyone due to its permanent abolition, or permanent abolition of University operations (such as the discontinuation of a teaching program or closure of a campus), in which case the procedures set out in this clause will apply.

47.3 The University will:

- (a) advise an Employee in writing if they are displaced;
- (b) identify the grounds on which the University determined the Employee's job is no longer required to be performed by anyone;
- (c) discuss with a displaced Employee their options regarding redeployment or redundancy; and
- (d) pro-actively case manage and consult with the displaced Employee.

47.4 The University will provide displaced Employees with calculations of their estimated redundancy entitlements including taxation, and annual and long service leave entitlements.

Support for displaced Employees

47.5 The University will provide the following support to displaced Employees:

- (a) professional assistance in applying for positions, interview techniques and career planning;
- (b) professional counselling; and/or
- (c) job search and career transition management services, which may include relevant and specifically targeted short-term training programs.

Consideration period

47.6 The University will give a displaced Employee 10 working days to:

- (a) elect in writing to be considered for redeployment; or
- (b) express an interest in voluntary redundancy.

47.7 If a displaced Employee does not make an election within the required timeframe, and there are no positions into which the Employee could be redeployed, the University will immediately commence the redeployment period in relation to the Employee in accordance with subclause 47.11.

47.8 If an Employee is on secondment at the time their substantive position is discontinued, and:

- (a) the secondment has more than 26 weeks remaining, the Employee will be required to make an election under subclause 47.7 at the time their substantive position is discontinued. The Employee may elect:

- (i) redundancy, which will then take effect in accordance with subclause 47.23; or
 - (ii) redeployment, in which case the redeployment period will commence from the date of election in accordance with subclause 47.11; or
- (b) the secondment has less than 26 weeks remaining, the requirement to make an election under subclause 47.7 will be deferred until the conclusion of the secondment (excluding any extensions).

Redeployment

47.9 The University acknowledges that redeployment assists the University to retain the skills, knowledge, and experience of Employees whose employment with the University might otherwise cease on the ground of redundancy.

47.10 If a displaced Employee elects redeployment, their election must include a curriculum vitae to assist in the redeployment process.

47.11 Subject to subclause 47.12, the University will try to identify a suitable position for redeployment for 12 weeks from the date on which a displaced employee elects redeployment (**redeployment period**). The University may agree to a longer or shorter redeployment period if requested by the Employee.

47.12 A displaced Employee who elects redeployment and who:

- (a) is displaced through a decision by the University to outsource the Employee's work; and
- (b) is aged 45 years or over, or has more than 15 years of Continuous Service with the University;

will be entitled to an additional 4-week redeployment period, unless the Employee elects to be paid in lieu of this additional period.

47.13 During the redeployment period, a displaced Employee:

- (a) may continue to work in their own academic unit, and/or work temporarily in another academic unit, and/or undertake training; and
- (b) will be given reasonable paid time off work to attend job interviews or undertake other job search activities.

47.14 The redeployment process will be proactively managed by the relevant Change Manager in conjunction with the Senior HR Partner responsible for the displaced Employee's work unit (**redeployment team**).

47.15 If a displaced Employee elects redeployment:

- (a) the redeployment team will proactively identify suitable vacant positions for redeployment based on the Employee's skills, qualifications, experience, and any reasonable retraining that may be provided to the Employee to enable them to perform the duties of a vacant position,
- (b) the Employee must agree to undertake any reasonable retraining that may be required by the University to enable the Employee to be redeployed to a suitable vacant position.
- (c) the University will keep a register of displaced Employees and the redeployment team will examine all vacant positions before advertising to determine whether there is a

displaced Employee suitable for redeployment. A position will only be advertised (whether internally or externally) if, in the opinion of the redeployment team, there is no displaced Employee who could be redeployed into the position, including with reasonable retraining; and

- (d) if a suitable vacant position is available, the Employee will be offered appointment to the position, provided that if more than one displaced Employee is being considered for a position, the redeployment team will:
 - (i) decide which Employee best meets the position requirements based on their skills, qualifications, and experience; and
 - (ii) provide the unsuccessful Employee(s) with written reasons as to why they were not offered appointment to the position.

47.16 A displaced Employee seeking redeployment may also seek retraining to enable them to be redeployed to a specified vacant position within the University.

47.17 The University is committed to providing reasonable time and resources for retraining.

Offers of redeployment

47.18 A displaced Employee who elects redeployment must not refuse a reasonable offer of redeployment or training, however this does not mean the Employee will be required to accept redeployment to a position at a lower salary level or at reduced hours.

47.19 A displaced Employee who accepts redeployment to a position at a lower Salary level is entitled to maintenance of their previous Salary level for a period of 12 months. At the end of this period their Salary will be reduced to the maximum salary step of the new position.

47.20 If the University is unable to redeploy a displaced Employee within the redeployment period, the Employee's position will be made redundant, and they will be entitled to the payment prescribed by subclause 47.26.

Calculating continuous service

47.21 For the purposes of calculating an Employee's redundancy or retrenchment entitlements under this clause, where an Employee has a combination of full-time and part-time service, the Employee's part-time service will be converted to the full-time equivalent and payment made at the Employee's full-time Base Rate of Pay.

Redundancy

47.22 If a displaced Employee elects redundancy, they should seek independent advice on taxation and superannuation.

47.23 A displaced Employee who elects redundancy will be entitled to:

- (a) a notice payment equal to 20 weeks at the Employee's Base Rate of Pay; and
- (b) payment equal to 3 weeks at the Employee's Base Rate of Pay for each completed year of Continuous Service, up to a maximum of 60 weeks; or
- (c) where the Employee is displaced as a result of outsourcing, payment equal to 4 weeks at the Employee's Base Rate of Pay for each completed year of Continuous Service, up to a maximum of 60 weeks.

47.24 A displaced Employee who elects redundancy will cease to be employed 10 working days after advising the University of their election, or at another date agreed between the Employee and the University.

Retrenchment

47.25 A displaced Employee who has elected redeployment will not be retrenched if there is a body of work being performed by a casual Employee(s) that could be reallocated to the displaced Employee as an ongoing full-time or part-time workload, provided that the displaced Employee:

- (a) must be suitably qualified and have the capacity to perform the work; and/or
- (b) could be retrained within a reasonable period of time to perform the work.

47.26 If at the end of the redeployment period a displaced Employee is not redeployed, the Employee will be retrenched and entitled to:

- (a) payment equal to 20 weeks minus the length of the redeployment period at the Employee's Base Rate of Pay; and
- (b) payment equal to 3 weeks at the Employee's Base Rate of Pay for each completed year of Continuous Service, up to a maximum of 60 weeks.

47.27 If a retrenched Employee is displaced as a result of outsourcing, they will be entitled to:

Where reasonable adjustments cannot be made, or are not successful, the University may act upon the process in this clause.
- 48.3 This clause does not prevent an Employee from applying to their superannuation fund for ill-health retirement or a temporary disability benefit. If an Employee makes such an application and it is supported by the University, the process prescribed by this clause will be placed on hold pending the outcome of the application.
- 48.4 An Employee who is required to undergo the process prescribed by this clause may be placed on sick leave or elect to use some other form of accrued leave pending conclusion of the process.
- 48.5 This clause does not prevent the University from taking any action it considers necessary to meet its obligations under applicable work health and safety legislation.
- 48.6 The University will maintain confidentiality regarding the process prescribed by this clause.

Medical examination

- 48.7 Subject to subclause 48.2, the University may require an Employee to undergo a medical examination by an independent medical practitioner or specialist nominated by the University, and at the University's expense, if the Chief People Officer (or their nominee) reasonably considers that:
- (a) the Employee's ability to perform or resume their duties is in doubt because of the Employee's illness or injury, and it is unclear whether the Employee will be able to perform or resume those duties within a reasonable period of time; or
 - (b) the health, safety, or welfare of the Employee and/or other Employees and/or students may be at risk of being adversely affected by the Employee's illness or injury.
- 48.8 The University will provide the Employee with at least 2 weeks' written notice of the requirement to undergo a medical examination, unless there is concern regarding imminent harm to the Employee or others, in which case the Employee will be required to attend the examination as soon as reasonably practicable. The Employee may also agree to a shorter notice period.
- 48.9 The University will provide the Employee with a copy of the referral document sent to the medical practitioner or specialist. The Employee may also provide medical information to the practitioner or specialist prior to the medical examination.

Medical Report

- 48.10 Following the medical examination, the medical practitioner or specialist will provide a written report to the University (**Medical Report**) advising:
- (a) whether the Employee is able to perform their duties, or is likely to be able to resume the duties within 12 months; and
 - (b) if applicable, whether the Employee requires or will require any adjustments to perform or resume their duties, and the nature of any such adjustments; and/or
 - (c) if applicable, whether the Employee presents a risk of the health, safety, or welfare of the Employee and/or other Employees and/or students and, if so, whether the risk is likely to persist for more than 12 months.
- 48.11 The University will provide a copy of the Medical Report to the Employee.

48.12 If the Medical Report provides that the Employee:

- (a) is fit to perform their duties, or will be fit to resume the duties within 12 months; and/or
- (b) does not present a risk to the health, safety, or welfare of the Employee and/or other Employees and/or students, or will no longer present such a risk within 12 months;

the University will use the report, together with any medical report from the Employee's treating specialist, as the basis on which to plan and manage the Employee's return to work, including any reasonable adjustments that may be made.

48.13 If the Medical Report provides that the Employee:

- (a) is not fit to perform the Employee's duties, and is unlikely to be fit to resume the duties within 12 months; or
- (b) presents a risk to the health, safety, or welfare of the Employee and/or other Employees and/or students, and is likely to do so for a period of more than 12 months;

the University may notify the Employee that it intends to terminate their employment. If the Employee is so advised, they will have 5 working days to request a second medical examination by an alternative medical practitioner or specialist.

48.14 If the Employee:

- (a) elects to not attend a second medical examination; or
- (b) fails to make an election within the required timeframe;

the University will terminate their employment upon expiration of the 5 working-day period, in which case the Employee will receive payment in lieu of the notice period contained in the Employee's contract of employment or payment in lieu of 6 months' notice, whichever is greater.

Second medical examination

48.15 If the Employee elects to attend a second medical examination, the University will provide the Employee with the names of 2 independent medical practitioners or specialists from which to choose. The University will bear the cost of the examination and provide the Employee with at least 1 weeks' written notice to attend the examination.

48.16 The University will:

- (a) request the medical practitioner or specialist to advise on the matters referred to in subclause 48.10; and

48.19 If the Second Medical Report:

- (c) provides that the Employee does not present a risk to the health, safety or welfare of the Employee and/or other Employees and/or students, or will no longer present such a risk within 12 months of the second medical examination;

the University will refer to the Second Medical Report together with any medical report from the Employee's treating specialist as the basis on which to plan and manage the Employee's return to work.

48.20 If the Second Medical Report:

- (a) confirms the findings of the Medical Report; or
- (b) provides that the Employee (whether on the grounds identified in the Medical Report or otherwise):
 - (i) is not fit to perform or resume the Employee's duties and is unlikely to be able to perform or resume their duties 12 months of the second medical examination; or
 - (ii) presents a risk to the health, safety or welfare of the Employee and/or other Employees and/or students and is likely to do so for a period of 12 months or more;

the University may provide the Employee with written notice of termination of the Employee's employment effective immediately, in which case the Employee will receive payment in lieu of the notice period contained in the Employee's contract of employment or payment in lieu of 6 months' notice, whichever is greater.

Refusal or failure to attend medical examination

48.21 If an Employee refuses or fails without reasonable cause to attend a medical examination under this clause, the Employee will be given 5 working days to show cause as to why their employment should not be terminated.

- 49.12 If the Employee disagrees with the content of the PIP, they may request that the head of the Employee's work unit determine whether the specific performance standard expected is reasonable. If there is a conflict of interest, the matter may be referred to the Chief People Officer (or their nominee).
- 49.13 If the Employee refuses to participate in the PIP process, the Supervisor may issue a lawful and reasonable direction to the Employee to participate in the process.

- 51.9 The reporting of a suspected contravention of the Code must be made in good faith. If an Employee makes a report that is frivolous, vexatious or in bad faith, the University may take disciplinary action against that Employee under clause 50: *Misconduct or Serious Misconduct*.
- 51.10 All documents relevant to the process conducted under this clause should be kept including, but not limited to, meeting notes.

Suspension in cases of alleged Research Misconduct

- 51.11 In cases of alleged Research Misconduct, the University may suspend the Employee who is the subject of the allegations at any stage of the process prescribed by this clause:

51.14 At any stage of a process conducted under this clause, the University and the Employee may agree to place the process on hold for up to 10 working days (or longer period as agreed) and enter into confidential and without prejudice discussions with a view to reaching a mutually agreed early resolution of the matter.

51.15 If the University and the Employee cannot reach a mutually agreed early resolution of the matter within the agreed timeframe, the process will be resumed.

51.16 Unless otherwise agreed, any information a party provides during attempted agreed early resolution cannot be relied upon by the other party for any other purpose.

Process

Reporting a suspected contravention of the Code

51.17 Suspected contraventions of the Code must be promptly reported to:

- (a) the relevant Academic Unit Director of Research (or equivalent); or
- (b) the Director, Research Impact and Integrity;

who will then consult with the DVC(REI) to determine whether the report relates to a potential contravention of the Code.

Preliminary assessment

51.18 If a determination is made under subclause 51.17 that a report relates to a potential contravention of the Code by an Employee, the DVC(REI) will refer the matter to an Assessment Officer for preliminary assessment.

51.19 In carrying out the preliminary assessment, the Assessment Officer will gather and evaluate information relating to the reported conduct to determine whether, if proven, the conduct would amount to a contravention of the Code. The Assessment Officer may also discuss the matter with the Employee, in which case the Assessment Officer will provide the Employee with:

- (a) written particulars of the potential contravention in sufficient detail for the Employee to understand the nature of the contravention; and
- (b) an opportunity to respond in writing within a nominated timeframe; and
- (c) the option to meet with the Assessment Officer, accompanied by the Employee's Representative.

51.20 Following conclusion of the preliminary assessment, the Assessment Officer will provide the DVC(REI) with written advice regarding the following:

- (a) a summary of the process undertaken by the Assessment Officer;
- (b) an inventory of the facts and information gathered by the Assessment Officer;

- (c) an evaluation of the facts and information gathered by the Assessment Officer;
- (d) how the suspected contravention relates to the Code and/or the University's research processes; and
- (e) the Assessment Officer's recommendation(s) for further action.

Determination

51.21 The DVC(REI) will consider the Assessment Officer's report provided under subclause 51.20 and determine whether the matter should be:

- (a) dismissed;
- (b) resolved at the Employee's academic unit level, either with or without corrective actions;
- (c) referred for action in accordance with other University processes; or
- (d) referred for Research Investigation.

Research Investigation

51.22 The purpose of the Research Investigation is to determine whether, having regard to the evidence and on the balance of probabilities, the Employee has contravened the Code.

51.23 The Research Investigation will:

- (a) examine the facts and information gathered as part of the preliminary assessment; and
- (b) gather and examine any further relevant evidence as required.

51.24 The Research Investigation may be carried out by:

- (a) an investigator; or
- (b) an investigation panel (**Panel**).

51.25 Any investigator must have expertise in the protocols of the conduct of academic research and/or research management.

51.26 A Panel may comprise members from within, and external to, the University. The size and composition of the Panel will depend on:

- (a) the potential consequences for the Employee;
- (b) the seniority of the Employee; and
- (c) the need to maintain public confidence in research.

51.27 The DVC(REI) will determine the size and composition of the Panel. In selecting Panel members, the DVC(REI) will consider:

- (a) the expertise and skills required of a person appointed as Panel Chair;
- (b) the appropriate level of experience and expertise in the relevant discipline area(s);
- (c) the need for a person with prior experience of similar investigation panels or relevant experience, knowledge, and understanding of the responsible conduct of research;
- (d) the need for Panel members to be free from conflicts of interest or bias; and
- (e) where practicable, the gender and diversity of Panel members.

51.28 The DVC(REI) will advise the Employee in writing of the investigator or Panel's composition and provide the Employee with an opportunity to raise any concerns.

51.29 The investigator or Panel will:

- (a) assess the available evidence (including its veracity) and consider whether additional evidence may be required;
- (b) make findings of fact about the alleged contravention of the Code;
- (c) identify whether the Employee has contravened the Code;
- (d) consider the seriousness of any contravention of the Code by the Employee; and
- (e) make recommendations as appropriate.

In carrying out the Research Investigation, the investigator or Panel may also seek expert advice to assist the investigation if required.

51.30 At the conclusion of the Research Investigation, the investigator or Panel will prepare a draft report and provide the Employee with an opportunity to comment on the report within a reasonable timeframe.

51.31 Following receipt of the Employee's comments (if any), the investigator or Panel will finalise the report and provide it to the DVC(REI) for consideration.

Consideration and final determination

51.32 The DVC(REI) will consider the Research Investigation report. If the DVC(REI) determines that:

- (a) the Employee has not contravened the Code, the matter will conclude and the DVC(REI) will advise the Employee accordingly in writing; or
- (b) the Employee has contravened the Code, the DVC(REI) will determine what Disciplinary Action is to be imposed and advise the Employee accordingly in writing, provided that:
 - (i) termination of employment is available in cases of Research Misconduct only; and
 - (ii) if the DVC(REI) determines that the Employee's employment should be terminated for Research Misconduct, they will refer the determination to the Vice-Chancellor and President for approval.

51.33 If the DVC(REI) refers a determination to the Vice-Chancellor and President for approval pursuant to subclause 51.32(b)(ii), the Vice-Chancellor and President will:

- (a) provide the Employee with 5 working days to respond to a show cause letter;
- (b) have regard to any matters submitted by the Employee in their response to the show cause letter; and
- (c) advise the Employee in writing of the Vice-Chancellor and President's determination within 10 working days of receiving the Employee's response to the show cause letter (if any).

51.35 The University may terminate the employment of an Employee who is found to have engaged in Research Misconduct without notice if it would be unreasonable to require the University to continue employment during the notice period.

No further right of appeal

51.36 Where a decision to take action has been made in accordance with this clause, no further appeal can be made within the University. Nothing in this clause will be construed as excluding the jurisdiction of any external court or tribunal which would be competent to deal with this matter.

- (a) advises those circumstances to the Employee in writing at the latest time at which the notice would otherwise be required to be given; and
- (b) gives notice to the Employee at the earliest practicable date thereafter.
