

LOGGING IN

- Log in to the computer on wheels (COW) using your Western account, just as you would normally do in a computer lab.
- This computer is in a shared environment, please be aware that whatever documents you have on your desktop could be seen by your peers.
- TIP: Make sure you are logged out of any personal accounts.

DESKTOP ICONS - WHAT DO THEY MEAN?

USING SOLSTICE

Solstice is one of the key features in this learning space. It is used to share the content you and your group have with the rest of the class.

1 Click on the 'Solstice to Primary Screen' icon. A Solstice application window will pop up and ask you to **enter your name** to get started. You can use your own name or your group number as required by the Instructor.

2 The **Screen Key** will be provided by your Instructor for every session.

3 You should now be logged in to the Solstice application. You can now share content to the rest of the class.

If you are using Solstice via a mobile device (tablet, laptop etc.):

Once you have logged in, click on 'Enter IP' tab.

If you are using Solstice via a mobile device

In EB.G.33, the IP address is **137.154.181.12**
