OUR ENGLISH LANGUAGE OFFERINGS

Whether you want to improve your general communication skills, pass an important exam or attend an English-speaking university, we have a course for you. Choose from English for Academic Purposes (EAP), Communicating in English (General English (GE)), Advanced Academic English and IELTS Preparation courses.
ACADEMIC ENGLISH FOR TERTIARY STUDIES  
(CRICOS Code 082063M)

Academic English for Tertiary Studies has been specifically designed to develop ESL students' English proficiency to enable them to communicate confidently, express ideas effectively and achieve rhetorical competence incrementally so that they attain a level of language proficiency corresponding to the standard required for entry to Australian tertiary educational institutions.

This course has five modules, English for Academic Purposes (EAP) 1 to EAP 5, catering for Pre-Intermediate to Advanced English level students. Each module consists of 10 weeks and includes 20 hours per week of face-to-face teaching.

→ EAP 1 - This course provides a bridge between general English skills and academic skills in reading, listening, speaking and writing. During the course, students will concentrate on basic grammar and sentence structure, leading to more complex texts.

→ EAP 2 - EAP 2 provides students with a foundation in academic writing, reading, listening and speaking skills through general coursework, oral presentations, factual reports and regular assignments.

→ EAP 3 - This level consolidates students' understanding of a range of academic texts and builds on the skills developed in the EAP 2 course.

→ EAP 4 - EAP 4 extends students' proficiency in academic English with opportunities to strengthen their language and critical literacy skills in preparation for tertiary study.

→ EAP 5 - EAP 5 allows students to further develop their language skills in academic writing, reading, listening and speaking to a competent level. It is excellent preparation for the university environment. Students who successfully complete EAP 5 do not need to take any further English language tests to gain entry to their study at Western Sydney University.

ADVANCED ACADEMIC ENGLISH SKILLS  
(CRICOS CODE 082209D)

This program has two components:

→ Module A: Reading and Writing, and
→ Module B: Listening and Speaking.

Module A provides students with the intensive writing and reading practice they need. It is designed for students who either have IELTS (Academic) 6.5 or above but only a 5.5 in reading and writing, or need to polish their reading and writing skills before entry to tertiary studies.

This module runs for six weeks and includes 20 hours of face-to-face classroom time per week.

Module B focuses on providing students with high level spoken communication skills for work or further study. It is designed to help improve fluency, pronunciation and public speaking skills. It combines well with Module A.

This module runs over four weeks and includes 20 hours of face-to-face classroom time per week.

MASTER OF TEACHING DIRECT ENTRY ENGLISH PROGRAM (MTDEEP)  
(CRICOS CODE 084618D)

This program is designed to bridge this gap and provide an integrated skills program of listening, speaking, reading and writing to develop students' English language proficiency to an overall 7.5 IELTS with a minimum 8 in Speaking and Listening and minimum of 7 in Reading and Writing.

The course incorporates practice in academic study skills and practice in language skills particularly pertinent to teaching in the Australian school sector.

It runs over 12 weeks and includes 20 hours of face-to-face classroom time per week.

COMMUNICATING IN ENGLISH (GENERAL ENGLISH)  
(CRICOS CODE 082210M)

The General English program prepares students for effective English language communication. The program is designed to develop English proficiency from a beginner level through to an advanced level, and teaches students how to communicate effectively in everyday society.

Each course runs in 10-week blocks and includes 20 hours of face-to-face classroom time per week.

IELTS PREPARATION COURSE

For students wanting to enter university within Australia and overseas or needing an IELTS certificate for visa or Australian immigration purposes, the English Language Program also offers an IELTS Preparation Course. This course provides you with skills and confidence in test taking for both modules as well as an understanding of the IELTS practice test. It also prepares you for all four skills tested (reading, writing, listening and speaking).

You will also be required to keep The College informed of any changes to your residential and mailing addresses. You must also maintain enough money to pay for travel, tuition, health insurance and living expenses for yourself, your partner and dependent children (including their schooling) during the duration of your stay in Australia and you will not be able to work more than 40 hours per fortnight during academic sessions.
