Cool Stuff We Haven't Done Yet

A long time ago in someone's
imagination far, far away.....

Innovation - Not

- *Not just ideation*
- *Not about technology*
- *Not about creating something out of nothing*
- *Not about shopping!!!*

~~Innovation~~ **Disruptive** is....

about creating opportunities for people to DO things differently

Skywalker - Luke lost his hand in The Empire Strikes Back to Darth Vader in a tense lightsaber battle. There is no better name for this than that of our favorite Jedi Master and survivor!

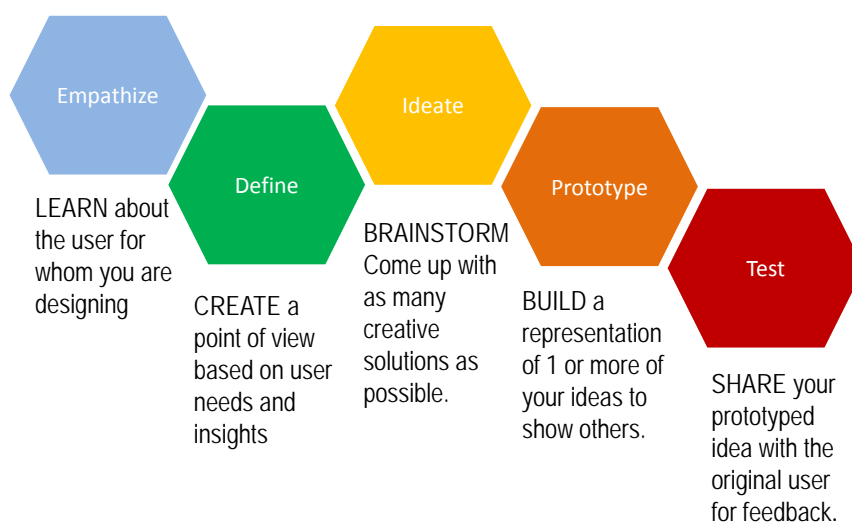

I first heard about the news from the [Twitter page of Mark Hamill](#).
