

Waste Types - Paper/Cardboard

What can go in your Paper & Cardboard Bin

Cardboard boxes
(flattened is best)

Office paper

Magazines

Newspapers

Note paper

Paper bags

The contents of your Paper & Cardboard bin are recycled to create new products such as recycled office paper and cardboard boxes. In order to create a circular economy, always purchase recycled paper and cardboard product whenever possible.

Waste Types - Paper/Cardboard

What cannot go in your Paper & Cardboard Bin

**Paper towels
and tissues**

Receipts

**Paper cups &
coffee cups**

**Soiled food
packaging**

**Compostable food
packaging**

Plastic wrap

Stickers and sticker backing

Polystyrene (#6)

Wood and timber

Rule of thumb: You can test if a paper or cardboard product is recyclable by tearing the edge. If it tears easily then it can go into the Paper & Cardboard bin. If you tear it and there is a plastic film of layer, it must be placed into General Waste.
