

WESTERN SYDNEY UNIVERSITY

LEARNING TRANSFORMATIONS

Educational Innovation. **UNLIMITED.**

HOW CAN WE HELP?

Our team supports learning and teaching at Western.

- We support your course development and innovative curriculum design
- We offer engaging professional development opportunities for new and experienced staff
- We support recognition of teaching excellence through university grants and awards and international Fellowship Schemes
- We support the University's 21C Curriculum project with Future of Work Forums, Curriculum MakerSpaces, and our Students as Partners
- We support a range of professional learning networks to share good practice and foster collaboration amongst school teaching teams eg DAP forums, Curriculum Scholars network
