20th Int'l Gender and Education Conference

SaGR members were a strong presence at the Gender and Education Conference at CSU Port Macquarie last month. Prof Corrinne Sullivan gave an incredible keynote on avoiding tokenism in "decolonisation". Susanne Gannon, Lucy Nicholas, Kerry Robinson, Erika Smith, Cris Townley, Jacqueline Ullman and Prue Adams all presented papers. Notably, SaGR members were also enthusiastic contributors at karaoke and on the dance floor!

GET INVOLVED

Seeking research participants! Housing, home & living situations of young women and gender diverse people aged 18-30

A new study being undertaken by researchers at Swinburne University of Technology is investigating young people's housing, home, and living situations, focusing particularly on young women and young gender diverse people from all backgrounds, living anywhere in Australia. The study is funded by the YWCA Australia.
