HSC TRUE REWARD

WESTERN'S EARLY OFFER PROGRAM

At Western, we value passion. We believe it's a good indicator for success. That the areas of study that draw you in, push you to excel, and light you up, are the ones that will set you up for success in your chosen degree.

We also believe passion should be rewarded. That's why our HSC True Reward program gives select students an early offer to many of our courses based on your Year 11 or Year 12 results in the subjects that matter most to your chosen degree.

* Offers made on Year 11 results are based on the condition that students successfully complete their HSC and any other specified requirements.

Because True Reward puts the focus on the subjects that lay the foundation for success in specific degrees, it allows you to play to your strengths and embrace your passions. And unlike a scaled ATAR, True Reward sees you for who you are and lets results in relevant subjects speak to where you're headed.

Our research doesn't just happen in the lab. We work with regional, national and international partners to deliver research that has a positive impact on the economic, social and environmental wellbeing of our communities.

Responding to the challenges faced by the communities locally and globally, our research work is focused on four key themes:

Urban Living Futures and Society

Our research in this area seeks to understand and guide change in the economy, our society and the culture we live in. Our research work shows how the places we live, the work we do, the way we describe ourselves and the relationships we form interrelate.

Health and Wellbeing

We take an integrated approach to health research, based on the assumption that the environments in which we live, the cultural background from which we come, and the work we do all affect our physical and mental health. Our research explores how health initiatives can prevent disease and illness, encourage healthy lifestyles in individuals and communities, and reduce the cost and impact of illness.

Education and Work

We draw on the diversity of Western Sydney to underpin research that explores education access on a global scale. This research theme respects the economic, social and cultural aspirations of the individuals and communities we support. We are committed to realising the opportunities offered by new pedagogies and transformational technologies for all of our students.

Environment and Sustainability

We are in the midst of unprecedented global environmental changes affecting the world. These are creating new challenges that range from contested land use to urban and agricultural climate change adaptation, to biodiversity conservation, and new interdisciplinary ways of engaging with socioecological dynamics. Our research takes a practical and collaborative approach to solving these challenges by focusing on maintaining and managing the diversity of urban ecologies, and agricultural and natural systems.

FREQUENTLY ASKED QUESTIONS

HOW DO I APPLY?

You can apply online direct and for free to most Western courses at westernsydney.edu.au/ws, or through the Universities Admissions Centre (UAC) uac.edu.au

You can apply for free for most courses when you apply direct.

For more information, see page 73 or call the University Information Team on **1300 897 669**.

WHAT CAN I DO IF I DON'T GET THE ATAR I WANT?

There are a number of alternative pathways available. For example, HSC True Reward Early Offer Program, The College, Tertiary Education Pathways and Partnerships, Aboriginal and Torres Strait Islander Pathway Program, and the Special Tertiary Admissions Test (STAT). Some of The College pathway programs allow you to transition into the 2nd year of a Bachelor degree after 12 months of study, meaning you don't waste any time getting into the course you want!

WHAT ADJUSTMENT FACTORS CAN I GET?

You may qualify for Adjustment Factors up to a maximum of 10. Call us on **1300 897 669** or westernsydney.edu.au/bonuspoints to find out more.

WHAT IS HSC TRUE REWARD? ARE ALL DEGREES OFFERED IN HSC TRUE REWARD

HSC True Reward is Western's main early offer program. True Reward aims to reward Year 12 students for their performance in their strongest subjects, rather than looking at their ATAR. To be eligible for HSC True Reward, you must be completing your HSC and must achieve the required results for subjects relating to your course of choice. This program is based on both year 11 and year 12 results, offering many opportunities to secure the course offer you want. There some degrees, such as medicine and physiotherapy that are excluded from the HSC True Reward program due to additional selection criteria and/or capped placements.

For more information about HSC True Reward, visit westernsydney.edu.au/hscruereward

I'M IN YEAR 12 NOW AND WANT TO KNOW MORE ABOUT UNIVERSITY

We know there's so much information out there about university for Year 12 students. We've made it easy for you and put it all in one place! On our Year 12 info hub you'll find all the events Western has for Year 12 students to make your decision about university as easy as possible. You'll also find everything you need to know about how uni works, about Western courses and so much more, check out westernsydney.edu.au/year12

WHO IS A NON-CURRENT SCHOOL LEAVER?

Anyone who has had a gap of one year or more between high school and university is considered to be a non-current school leaver (or mature-age student). If you are not completing year 12 when you apply to study at Western you are considered to be a non-current school leaver.

WHAT SCHOLARSHIPS ARE AVAILABLE? DO I HAVE TO GET A HIGH ATAR?

We offer a variety of scholarships, with eligibility criteria ranging from academic excellence to hardship, to industry and sporting achievement. Find out more at westernsydney.edu.au/scholarships

HOW MUCH WILL MY COURSE COST AND DO I NEED TO PAY THE FEES STRAIGHT AWAY?

All undergraduate courses at Western are Commonwealth supported for Australian citizens and permanent residents. This means undergraduate tuition fees are subsidised by the Government, giving you a lower rate of fees to pay. As an Australian citizen, you may use HECS-HELP to defer your fees. You can find out more at <https://www.studyassist.gov.au>

HOW MANY HOURS WILL I SPEND AT UNI?

As a full-time student on campus, you should expect to spend 12-16 hours each week in lectures or tutorials between 8am and 9pm, Monday to Friday. Practical courses may require out of hours involvement and some courses require off-campus placements.

HOW LONG ARE THE TEACHING SESSIONS?

Most undergraduate degrees are taught in two sessions – the Autumn session (from March to June) and the Spring session (from July to November). The University also offers an optional Summer session (from December to February), during which students can undertake additional subjects if they are available. The College offers programs which are taught over three terms. The Sydney City campus offers flexible session dates. You can start in February, June or October. With three sessions per year, you can fast-track a 3-year degree in 2 years.

WHAT IS UNIVERSITY LIFE LIKE?

Learning is the major aspect of university life, but there are also many opportunities available for networking, support and extracurricular activities such as sports, clubs and outings.

WHAT SUPPORT IS AVAILABLE TO NEW STUDENTS?

At Western, there are many people dedicated to helping new students. Support services are available to make your transition to university as smooth as possible, such as academic workshops, Peer Assisted Study Sessions (PASS), MESH support for Maths based programs, essay writing and assignment support, counselling and welfare officers on campus.

WHAT SUPPORT IS AVAILABLE TO HELP ME FIND WORK?

Western Sydney University Careers offers a number of services to assist you to gain work experience, find work while you study and help you stand out once you graduate. Our Careers Office offers jobs on campus, as well as internships within the University and with external industry partners. We also provide advice and run workshops to assist you with writing your cover letter and résumé, addressing selection criteria and preparing for interviews.

LOWEST SELECTION RANK EXPLAINED

This publication includes the Lowest Selection Rank (LSR) for each Western Sydney University undergraduate and pathway degree.

Three factors determine the Lowest Selection Rank:

- the number of places available in the course
- the number of applicants for the course
- the quality of those applicants.

The LSR changes from year to year. For further information on selection ranks and ATARs visit:

ARTS AND COMMUNICATION

An Arts or Communications degree has the potential to open career doors to the world. Your degree will be supported by academics who are internationally recognised. You will find yourself immersed in Culture and Society, Creative Writing, Digital Cultures, International Relations and Asian Studies, Languages, or Psychological Studies to name just a few major areas of study. Combine your studies to broaden your horizons with Business, Information Technology, Law, Science or Teaching. Our accredited Bachelor of Communication degree includes majors in Advertising, Journalism, Public Relations and Screen Media. International Studies develops your capacity to analyse the historical development of relations among nation states and contemporary political, social and cultural issues, such as globalisation, transnationalism and migration.

BUILT ENVIRONMENT

At Western Architecture, Building Design Management, Construction Management, and Industrial Design make up our Built Environment. Our research in these fields connects with industry, engages with government and has international links. The University offers innovative and contemporary architecture programs across undergraduate and postgraduate education. The Urban Transformation programs engage directly with the projects and issues of a growing Western Sydney and its pivotal role in the success of the metropolis of Sydney. Construction Management at Western is leading research on sustainable construction, building information modelling, and affordable housing and innovation on building materials nationally and internationally. Western is a nationally recognised centre for Industrial Design, with regional specialisation to Western Sydney and links to international projects of significance for developing nations and advanced health and technology industries. Industrial Design at Western produces quality graduates who are highly skilled in human-centred design, new product development innovation, advanced computer aided design communication for manufacture, and embedded sustainable futures practice across United Nations' Sustainable Development Goals.

BUSINESS AND ACCOUNTING

With today's fast pace of change, you need a business degree that's going to keep up. It's why our Business and Accounting degrees are tailor-made to the challenges and demands of changes in industry, technology and careers. With a course structure unique to Western, you build your degree as you go to best suit your area of specialisation. We've opened the Business degree to majors right across the University. This means, unlike traditional degrees, you can now choose majors outside the business stream to give you a more diverse set of skills and knowledge. What's more, with Western you begin your major in the first year of study. No more waiting to dive into the areas that interest you most. And depending on the majors and electives you choose, the Bachelor of Business can also see you graduate with industry-specific accreditation from Australia's leading institutions. Our Bachelor of Accounting degree holds triple accreditation with Certified Public Accountant (CPA), Chartered Accountants Australia & New Zealand (CAANZ), and the Institute of Public Accountants (IPA). The School of Business has also been awarded AACSB (Association to Advance Collegiate Schools of Business) accreditation for its excellence in business education.

BUSINESS AND ACCOUNTING DEGREES

CAREER OPPORTUNITIES

These courses provide the foundations for the development of Australia's future business leaders. As a graduate, you may seek a management traineeship, become involved in a management consultancy or find a career associated with the discipline in which you complete a major. Examples include employment in public practice, taxation consulting, merchant banking, financial services management, economic advising, roles in service-oriented businesses, employment relations, human resources, industrial relations, marketing firms, operations or logistics organisations, international business, property development and valuation firms.

CREATIVE INDUSTRIES, DESIGN AND MUSIC

In a fast-changing world, the future is uncertain. It's people like you – the thinkers, artists, designers and communicators – who will define how we think, feel and do. If you're thinking about a creative career, don't let anyone tell you it isn't a serious business. Our Creative Industries degree gives you the opportunity to combine your studies in Arts, Communication, Design and Music. In an evolving employment market, this extra savvy is a distinct advantage. There are also great creative degrees in Design (Visual Communication), Music and Screen Media. We also offer a Graphic Design/Pathway to Teaching (Secondary) degree. It's your pathway to a Master of Teaching (Secondary), and a career as an inspiring high school teacher.

CAREER OPPORTUNITIES

The creative industries are growing rapidly in NSW, especially Western Sydney, and encompass careers including advertising, creative writing, design, journalism, media arts production, music and public relations. Through working with our diverse community of partners, your studies will be grounded in dealing with the commercial, ethical, legal and professional issues in creative practice.

As a graduate, you may find roles in a range of creative industries including journalism, digital and social media communication, design and music. These include advocacy for non-government organisations, corporate and international public sectors, advertising account management and creative direction, TV, media, film and documentary production. You might also seek a career as a graphic designer, web designer, professional photographer, illustrator, art director, musician, composer, teacher (with further study), artistic director or production manager.

TASHA REYNOLDS

GRADUATE

Bachelor of Health Science (Paramedicine)

"It's given me an opportunity in life that doesn't only provide me with a degree. I have been able to gain industry relationships, employment, a voice within the community and service opportunities."

INFORMATION TECHNOLOGY (COMPUTING)

Become an in-demand computing professional. Our real-world experience will give you the edge. If you want to develop advanced programming skills or a thorough technical understanding of modern networked computer systems, or sound skills in the discipline of information systems security, then our Information Technology (Computing) degrees are tailor-made for you. With our professionally-recognised degrees you will be able to pursue exciting opportunities in diverse areas of technology development and application to address the global goals and challenges set by humanity. If you are a budding entrepreneur in the field of computing, our Bachelor of Entrepreneurship (Games Design and Simulation) will help you develop the mindset, risk tolerance, creativity, passion, big thinking, team formation and leadership capabilities needed by high-impact entrepreneurs who want to be game changers and pursue their ideas all the way to a technology start-up. Digital data plays an increasingly important role in many areas of endeavour. Our Data Science graduates will understand a blend of skills from mathematics, statistics and computing. You may also choose to study a Bachelor of Applied Data Science as an add on degree to your Bachelor degree in another discipline in 2023.

NEW DEGREE IN 2022

The Bachelor of Mathematics was a new degree beginning in Autumn 2022. Mathematics plays a crucial role in almost every sector of the economy. From finance to engineering, teaching, medicine and politics – mathematics is essential to model, analyse and solve problems. You will learn from world-class academics with a research strength in mathematics, and have opportunities for industry engagement. With your logical mind and analytical skills, you'll enter the job market as a highly sought-after graduate.

Our degree also gives you the option of completing majors in Financial Mathematics, Data Science, or Computational Mathematics, or you can use the degree as a pathway to secondary teaching.

LAW

Western's courses are a unique alternative to more traditional law schools, with community law activities that give you real-world experience. For example, since 2010, the University has operated the Parramatta Community Justice Clinic, providing a much-needed service, while giving students a unique learning opportunity. Experiences like this empower you to make positive change in the world, wherever your degree takes you. Our lecturers will challenge, stretch and inspire you, and our connection with prominent, respected professional networks will set you up for career success. Law programs are offered at the Campbelltown and Parramatta campuses. Both offer excellent facilities, including moot courts for practising advocacy skills, a comprehensive library and computer-based law research facilities.

CAREER OPPORTUNITIES

In our Law programs, special emphasis is placed on professional legal skills. As a graduate, you may find employment in legal practice as a solicitor or barrister, or roles in the banking and finance sector, accounting firms and management consultancies, corporate management, education and publishing, government departments and regulatory authorities, marketing, human resources, and telecommunication industries.

MEDICINE

Make a difference in your community with the Joint Program in Medicine from Western Sydney University and Charles Sturt University. The Joint Program in Medicine is a five-year undergraduate entry degree that qualifies you to be a medical intern in Australia and New Zealand. Successful applicants study their degree either in the Greater Western Sydney region at Western's Campbelltown campus or in the Central NSW region at the Charles Sturt University, Orange campus. Western Sydney and Charles Sturt both have a strong commitment to the regions in which they are located. The medical program combines problem-based learning and clinical practice. The program is designed to provide you with the knowledge, skills and experience to make an important contribution to the community's health and wellbeing. Uniquely, we offer three years of embedded clinical training, including experiential learning from elders and others during an Aboriginal Health Service placement, General Practice, community health services, research skills application, personal and professional development as well as the core scientific knowledge which will become the foundation for your life-long learning.

ADMISSION CRITERIA			
Greater Western Sydney Applicants	Campbelltown/Orange	5F	93.5
Rural/Remote Applicants	Campbelltown/Orange	5F	91.5
Other Applicants	Campbelltown/Orange	5F	95.5

CAREER OPPORTUNITIES

As a graduate you won't just be highly skilled, you'll be highly prepared for your internship and have a range of career paths to choose from, including medical practice, medical research, administration or medical teaching.

Graduates are eligible for registration by the Australian Health Practitioner Regulation Agency (AHPRA) and may be able to apply for registration in overseas countries.

UCAT Undergraduate Clinical Admissions Test

Unless they are of Aboriginal or Torres Strait Islander descent, all domestic applicants must sit the UCAT.

Interviews at Western

We perform multi-station mini interviews (MMI). The MMI consists of a series of stations to test if you have the qualities to become a great doctor. The purpose of the MMI is to assess the non-cognitive qualities important to patients and communities, and which are best assessed in person, rather than through an online test.

Key: LSR = Lowest Selection Rank, F = Full-time, N/A = Not applicable; not based on the ATAR; or the course is not offered to current Year 12 applicants or no offers were made to Year 12 applicants in these rounds.

APPLICATION PATHWAY TO MEDICINE

DOCTOR OF MEDICINE (MD)

Western Sydney University offers a fully-accredited 5 year undergraduate medical program based in Greater Western Sydney with placements throughout NSW. Graduates are eligible to apply for medical intern (junior doctor) positions in Australia. The Joint Program in Medicine, delivered in partnership with Charles Sturt University, creates the opportunity to undertake the medical program in rural and regional NSW, based at Orange, NSW.

Domestic Applicants

Domestic applicants may apply as Greater Western Sydney, Rural, Aboriginal and Torres Strait Islander, or General applicants. Selection is based on performance in an aptitude test, an interview, and academic capability. At Western, we do multi-station mini interviews (MMI). This is a series of stations to test if you have the qualities to become a great doctor. The purpose of the MMI is to assess non-cognitive qualities important to patients and communities, and which are best assessed in person, rather than through an online test.

Domestic applicants (Australian citizens and permanent residents and NZ citizens) must:

- Register for and sit the Undergraduate Clinical Admissions Test (UCAT)
- Submit a UAC application by 30 September prior to the year of intended course start date and include the MD course code as a preference
- On invitation, attend an interview in Sydney or Orange held in late November/early December.
- See westernsydney.edu.au/mdapplicants

For details, including course structure and subjects, visit westernsydney.edu.au/future/study/courses/undergraduate/doctor-of-medicine

Aboriginal and Torres Strait Islander Applicants

There is a different pathway process for those who apply as an Aboriginal or Torres Strait Islander applicant, as you are not required to sit the UCAT.

For more detailed information on Aboriginal and Torres Strait Islander selection procedures, visit westernsydney.edu.au/indigenoufuturedr or email IndigenousFutureDr@westernsydney.edu.au

NURSING AND MIDWIFERY

Western Sydney University is home to some of Australia's best nursing and midwifery facilities. Our undergraduate courses are designed with the vision of preparing graduates for work into the future, making a difference to the lives of people, especially those in the Western Sydney region. All courses are underpinned by a primary health care philosophy supported by a flexible learning approach throughout the course. The curriculum includes high-quality, evidence-based studies, emphasising a balance of theory, clinical practice and interdisciplinary learning to prepare you for work in the nursing and midwifery sectors. We are internationally known for producing nursing and midwifery graduates who enjoy very high employment rates, particularly in the Western Sydney region. Our Liverpool City campus is also home to state-of-the-art nursing simulation facilities and technology-enabled learning spaces.

DEGREE FOR ABORIGINAL AND TORRES STRAIT ISLANDER PEOPLES

Western Sydney University is committed to providing higher education pathways for Aboriginal and Torres Strait Islander peoples and contributing to the process of reconciliation. The University offers study by block mode – Bachelor of Education (Primary) Aboriginal and Torres Strait Islander Education. The block mode model is designed to help students remain in their community so they can fulfil their family, career, cultural and social responsibilities. Studying a block mode program requires students to attend residential on-campus visits each year, lasting between one and three weeks. Travel, accommodation and meal costs to attend residential are funded for Abstudy approved students. For more information, visit westernsydney.edu.au/atsieducation

TOURISM AND URBAN PLANNING

Western's Tourism and Urban Planning programs are among Australia's finest. These courses offer a balance of theory and practical field studies, broad subject choices, flexible course structures, industry-based projects and placements, and local and international work experience opportunities. As a graduate, you will enter the workforce uniquely equipped with both specialist cultural and managerial knowledge, and a wealth of practical experience.

PATHWAYS

The College provides a range of pathway options and support services to help you on your journey to university.

Through its comprehensive range of Integrated Diploma/Bachelor courses, Extended Diplomas and University Foundation Studies featuring small class sizes and individual attention from academic staff, The College provides a well-supported environment for you to succeed in your tertiary studies.

One of the many advantages of studying at The College is the direct entry arrangement with Western Sydney University. After successfully completing the University Foundation Studies program you will be able to apply for a place in the first year of a corresponding undergraduate degree at Western Sydney University.

The 12-month Diploma component of the Integrated Diploma/Bachelor course covers the same units as first year uni over the same

time span, meaning there's no time lost. Our entry scheme also means upon successful completion of your first year of studies, you'll receive guaranteed direct entry into the second year of the corresponding university degree. The 16-month Extended Diploma program covers the same units as first year uni, as well as additional preliminary units to prepare you for success in your tertiary studies. Upon successful completion of the program, you'll have the opportunity to enter into the second year of the corresponding university degree.

HECS-HELP and FEE-HELP loans are available to eligible students studying a Diploma or Foundation Studies program at The College. For more information, visit westernsydney.edu.au/thecollege

- Place your Western Sydney University preferences
- Check your eligibility and submit a scholarship application, visit westernsydney.edu.au/scholarships

HOW TO APPLY

IF YOU ARE COMPLETING YEAR 12 AT THE TIME OF APPLYING:

1. Check your eligibility for bonus points where you could qualify for up to 10 bonus points to go toward your application to Western Sydney University. Visit: westernsydney.edu.au/bonuspoints
2. Apply direct to Western at westernsydney.uac.edu.au/ws, or include Western courses in your course preferences with the Universities Admissions Centre (UAC).

Your application will be considered on the basis of your Australian Tertiary Admissions Rank (ATAR) or equivalent.

There are some courses that have additional selection criteria – refer to the UAC Guide or westernsydney.edu.au/future

3. Know all the information about our alternative entry pathways (see page 20).

IF YOU ARE NOT COMPLETING YEAR 12 AT THE TIME OF APPLYING:

1. Gather information for your application.
2. Apply direct to Western at westernsydney.uac.edu.au/ws, or through the Universities Admissions Centre (UAC) uac.edu.au

Your application will be based on the results of your secondary, tertiary or other accredited academic qualifications including:

- Australian Tertiary Admissions Rank (ATAR), University Admissions Index (UAI), Tertiary Entrance Rank (TER) or equivalent
- Australian Qualification Framework (AQF) Certificate III or above
- Previous university study (minimum two units)
- Special Tertiary Admissions Test (STAT) results
- Work experience (minimum of 12 months full-time or equivalent work).

Each qualification will be allocated a rank.

If you have one or more of the above qualifications, the highest rank will be used in assessing your application.

Regional bonus points – if you are a non-current school leaver (not completing Year 12 or International Baccalaureate at the time of applying for university) and live or study in the Western Sydney region, you will automatically receive five bonus points when you apply to study at Western Sydney University.

3. Know all the information about our alternative entry pathways (see page 20).

THE FACTS ON FEES

As a Western Sydney University student, you may need to pay a number of fees throughout your studies, depending on your degree and your enrolment status. These fees may include student contribution, tuition fees and student services fees.

Western Sydney University offers Commonwealth Supported Places (CSP) for domestic students studying Undergraduate Award programs and a selection of Postgraduate Award programs.

A Commonwealth Supported Place (CSP) is one that is subsidised by the Commonwealth meaning that the Australian Government pays part of your fees, and the remaining amount is paid by you (which is referred to as your student contribution amount).

Your student contribution amount will be calculated on a per subject basis and is dependent on the discipline area of the subject of study, not the program you are enrolled in.

If you're eligible, you may be able to obtain a HELP loan to defer your student contribution (HECS-HELP) and student services fees (SA-HELP).

If you need more information visit westernsydney.edu.au/fees

Fees for undergraduate international students are different than for domestic students. For more information about fees for international students visit westernsydney.edu.au/currentstudents/current_students/fees/international_fees

MESSAGE FROM THE VICE-CHANCELLOR

Western Sydney University is a world-class university, internationally recognised for its research strengths and innovations in teaching. Located in the heart of Western Sydney, the fastest growing and most dynamic area in the country, the University is ideally placed to give students global perspective and opportunity. We strive to achieve our mission – starting in Western Sydney, our students will succeed, our research will have impact and our communities will thrive through our commitment to excellence, sustainability, equity, transformation and connectedness.

The University continues to cement its reputation as one of the world's top universities. It has retained its position within the top two per cent of universities worldwide, as ranked by the prestigious Times Higher Education (THE) World University Rankings for 2022. In addition, our commitment to meeting the United Nations' Sustainable Development Goals (SDGs) through research, teaching, outreach, and stewardship efforts was once again recognised in the most recent THE Impact Rankings. The University was ranked 6th in Australia and 17th in the world overall, for our social, ecological, and economic impact – placing us within the top 1.5 per cent of all institutions ranked this year.

Western Sydney University is committed to working closely with its students to unlock their potential as future change-makers and leaders. Our values of boldness, fairness, integrity and excellence guide all that we do.

As we become an even more integral part of the Western Sydney and, more broadly, the global community, we continue to focus on changing lives. We pursue and deliver new study options, pathway programs and support services to ensure our students have access to a broad range of high-quality undergraduate and postgraduate opportunities.

Your choice of university is an important decision. We believe that success is fuelled by a strong desire and ambition. If you have the drive and determination to succeed, then Western Sydney University offers you an unlimited world of potential. I look forward to celebrating your future success as a graduate of Western Sydney University.
