ACADEMIC ENGLISH FOR TERTIARY STUDIES (CRICOS Code 082069M)

Academic English for Tertiary Studies has been specifically designed to develop ESL students’ English proficiency. The course enables them to communicate confidently, express ideas effectively and achieve rhetorical competence incrementally so that they attain a level of language proficiency corresponding to the standard required for entry to Australian tertiary educational institutions.

This course has five modules, English for Academic Purposes (EAP) 1 to EAP 5, catering for Pre-Intermediate to Advanced English level students. Each module consists of 10 weeks and includes 20 hours per week of face-to-face teaching.

- **EAP 1** - a bridge between general English skills and academic skills in reading, listening, speaking and writing. During the course, students will concentrate on basic grammar and sentence structure, leading to more complex texts.
- **EAP 2** - a foundation in academic writing, reading, listening and speaking skills through general coursework, oral presentations, factual reports and regular assignments.
- **EAP 3** - consolidates students’ understanding of a range of academic texts and builds on the skills developed in the EAP 2 course.
- **EAP 4** - extends students’ proficiency in academic English with opportunities to strengthen their language and critical literacy skills in preparation for tertiary study.
- **EAP 5** - allows students to further develop their language skills in academic writing, reading, listening and speaking to a competent level. It is excellent preparation for the university environment. Students who successfully complete EAP 5 do not need to take any further English Language tests to gain entry to their study at Western Sydney University.

ADVANCED ACADEMIC ENGLISH SKILLS (CRICOS CODE 082209D)

This program has two components:
- **Module A: Reading and Writing**
- **Module B: Listening and Speaking**

**Module A** provides students with the intensive writing and reading practice they need. It is designed for students who either have IELTS (Academic) 6.5 or above but only a 5.5 in reading and writing, or need to polish their reading and writing skills before entry to tertiary studies.

This module runs for six weeks and includes 20 hours of face-to-face teaching per week.

**Module B** focuses on providing students with high level spoken communication skills for work or further study. It is designed to help improve fluency, pronunciation and public speaking skills. It is designed to supplement Module A.

This module runs over four weeks and includes 20 hours of face-to-face teaching per week.

MASTER OF TEACHING DIRECT ENTRY ENGLISH PROGRAM (MTDEEP) (CRICOS CODE 082210M)

This program is designed to bridge this gap and provide an integrated skills program of listening, speaking, reading and writing to develop students’ English Language proficiency to an overall 7.5 IELTS with a minimum 8 in Speaking and Listening and minimum of 7 in Reading and Writing.

The course incorporates practice in academic study skills and practice in language skills particularly pertinent to teaching in the Australian school sector.

It runs over 12 weeks and includes 20 hours of face-to-face teaching per week.

COMMUNICATING IN ENGLISH (GENERAL ENGLISH) (CRICOS CODE 082210M)

The General English program prepares students for effective English language communication. The program is designed to develop English proficiency from a beginner level through to an advanced level, and teaches students how to communicate effectively in everyday society.

Each course runs in 10-week blocks and includes 20 hours of face-to-face teaching per week.

TEST PREPARATION COURSES

For students wanting to enter university within Australia and overseas or needing an English test result for visa or Australian immigration purposes, the English Language Program offers International English Language Testing System (IELTS), Pearson Test of English (PTE) and Occupational English Test (OET) test preparation courses. How do I apply?

Complete the International Application Process through StudyLink Connect:
westerntsydney.edu.au/international/apply

Ensure you attach official records and certified copies of all documents that are requested. If your documents are in a language other than English, you must provide an official translation of each document, together with certified copies of the original documents.

What will be the conditions of my student visa?

Student visa and temporary entry permits usually last for the period of your course. You must uphold your visa conditions while studying and living in Australia or your visa may be cancelled and you may have to leave Australia. The College is obliged to report any student to DHA who does not attend class, or who is not making satisfactory progress in their studies. You will also be required to keep The College informed of any changes to your residential and mailing addresses. You must maintain enough money to pay for travel, tuition, health insurance and living expenses for yourself, your partner and dependent children (including their schooling) during the duration of your stay in Australia and you will not be able to work more than 40 hours per fortnight during academic sessions. Under visa regulations you are required to leave Australia on or before the date your visa expires. Please refer to the DHA website for details:

border.gov.au/trav/stud

Do I need health cover?

Overseas Student Health Cover (OSHC) is a compulsory requirement for the issuing of a student visa. When you accept your offer at The College you will need to purchase OSHC for the proposed duration of your student visa. Students from Belgium, Norway and Sweden may not be required to take out OSHC. The cost of medical treatment is very high in Australia and you must meet any expenses not covered by OSHC:
westerntsydney.edu.au/international/healthcover

How much will it cost me to study?

You will need to consider the cost of travel, tuition fees, school costs of any dependents, and living costs. Other costs include compulsory health cover:
westerntsydney.edu.au/thecollege/fees

How do I apply for a refund?

If you require a refund of your fees, it is important that you notify Western Sydney University International as soon as possible. You must also provide a copy of your Confirmation of Enrolment, together with the mailing address to which your refund is to be sent. Refunds are normally made to your home country, and only in exceptional circumstances are they made in Australia. The exact refund you will be entitled to depends on the reason why you need a refund, and how quickly you notify Western Sydney University International Office in writing, that you require a refund:
westerntsydney.edu.au/thecollege/about/our_policies

Before you come to study in Australia, you must obtain a student visa from the Department of Home Affairs (DHA):

border.gov.au

Student visas can only be granted for courses that are registered on the Commonwealth Register of Institutions for Courses for Overseas Students (CRICOS):
cricos.education.gov.au
