Relevant = to enable the effective delivery of the function i.e. can't be undertaken remotely)

1. Testing spaces will be limited to facilities that have implemented COVID-19 safe shields where needed, and which can support 2 metre sq rule, see: <https://www.nsw.gov.au/covid-19/what-you-can-and-cant-do-under-rules/four-square-metre-rule>

Testing with external subjects allowed, exception being those from COVID19 vulnerable groups*. Australian Health Protection Principal Committee (AHPPC) Advice to National Cabinet on 30 March 2020:

<https://www.health.gov.au/news/australian-health-protection-principal-committee-ahppc-advice-to-national-cabinet-on-30-march-2020>

2. Interstate research will be contingent on border openings and an assessment of risk within each state. Interstate travel for research will be subject to local approval. As at 7 July, NSW residents are unable to travel to Victoria. NSW residents returning from Victoria will need to go into 14 days of isolation.

3. Dependent on School/Institute approval, with access prioritised, and managed within physical distancing guidelines.

4. Events to held in accordance with COVID19 safe protocols, see (url to add)

*Refer to [NSW Health official advice](#) for latest COVID-19 case locations
