

RETURN TO CAMPUS

FACTSHEET FOR STUDENTS

BEFORE YOU LEAVE HOME	TRAVELLING ON PUBLIC TRANSPORT
<ul style="list-style-type: none"> ✓ Do not come to campus if you are unwell, have been in close contact with someone diagnosed with COVID-19 within the past 14 days, or have been directed by NSW Health or a medical practitioner to isolate. ✓ If you are considered a 'vulnerable individual' as defined by the Australian Government Department of Health – either by way of your age, background, or due to a medical condition – contact your Academic Course Advisor for advice. You may be required to seek medical advice regarding the suitability of your return to the University environment. ✓ Bring a face mask or covering to campus to use as required. 	<ul style="list-style-type: none"> ✓ Plan ahead and travel outside of peak times. ✓ Ensure you adhere to physical distancing protocols and keep at least 1.5m from other travellers where possible. ✓ Practise good hygiene. After coming into contact with surfaces including handles, rails and buttons, clean your hands with soap and water and/or hand sanitiser. ✓ Use "tap and go" instead of cash where possible. ✓ Public health directives remain in place for masks on public transport. Please check the latest requirements before travelling.

WHILE ON CAMPUS
<p>Upon arrival</p> <ul style="list-style-type: none"> ✓ Check in via QR code before entering buildings. ✓ Wash your hands or sanitise your hands. ✓ Only enter a teaching space when a teaching staff member is present, and abide by teaching staff requests, particularly where the health and safety of yourself and others are concerned. <p>Physical distancing and hygiene</p> <ul style="list-style-type: none"> ✓ Wash your hands as soon as you arrive on campus and regularly throughout the day. Wash your hands before and after each activity, eating, going to the toilet, or touching anything in communal areas. ✓ Maintain 1.5m distance from others, and ensure one person per 4 square metres of available floor space indoors. Follow any signage and floor markings on campus. ✓ Avoid physical greetings such as hand-shaking, hugs and kisses. ✓ Consider limiting your interactions with students outside your friendship groups. ✓ Exercise good sneeze/cough hygiene. Cover your nose and mouth when coughing and sneezing with a tissue or a flexed elbow. Discard the tissue straight into a bin, and wash your hands. ✓ Avoid using shared kitchenettes and items such as cups, glasses and cutlery. Bring your own crockery, utensils and stationery from home, and take them home. Avoid sharing your food, drinks and stationery with others.

RETURN TO CAMPUS

FACTSHEET FOR STUDENTS

- ✓ Do not move the furniture in your classroom. It has been configured to support social distancing and movement may trigger a breach in physical distancing requirements.
- ✓ If equipment is required for a class, it will be controlled by the teaching staff member or one nominated person.
- ✓ Please wipe down all solid surfaces and equipment during and at the end of your class. If you are using electrical equipment, ensure it is switched off before cleaning. The surface or equipment must have air-dried before it is handled by another user.

Interactions with staff

- ✓ Avoid mingling at entries and exits to learning spaces.
- ✓ Only stay as long as necessary in the classroom. Once your class has completed, please leave.
- ✓ You may be asked politely to maintain physical distancing by a staff member. Repeated non-compliance by students or staff should be reported to **Campus Safety and Security**.

IF YOU FEEL UNWELL AT UNI	PERSONAL PROTECTIVE EQUIPMENT & TEMPERATURE CHECKING
<ul style="list-style-type: none"> ✓ If you start to feel unwell while on campus, notify your lecturer or teacher immediately. ✓ Leave campus if it is safe to do so. ✓ Contact Campus Safety and Security if you need first aid attention. ✓ Notify the Coronavirus Support Hotline. 	<ul style="list-style-type: none"> ✓ PPE and temperature screening is required to be used by students and staff in clinics on campus and in medical and other clinical practice classes ✓ You can wear a mask anytime on any campus as a matter of personal choice. ✓ It is strongly recommended to wear a face mask where 1.5m physical distancing cannot be maintained (e.g. shuttle buses, classrooms and eateries). ✓ It is mandated to wear a mask in clinics on campus; and medical, clinical practice and some other classes.

CLEANING	GROUP AND WORK MEETINGS
<ul style="list-style-type: none"> ✓ Hand sanitiser will be available in high traffic areas, for example upon entry to buildings. The University is conducting regular cleaning with a focus on high touch points. To ensure your health and that of others, everyone needs to play a part. You will need to maintain a high level of cleanliness in your own areas. 	<ul style="list-style-type: none"> ✓ Meetings and other group activities should continue to be virtual as much as possible. Avoid meeting with people face-to-face – instead, use the phone, ZOOM and email. ✓ If face-to-face group work or meetings must be held, try to conduct them outdoors, adhering to 1.5m physical distancing rule. If face-to-face group work and meetings must be held indoors, use a large meeting room
