WE ARE WESTERN SYDNEY
Located in the heart of one of Australia’s fastest growing economic regions, Western Sydney University offers unlimited potential to students with the talent, drive and ambition to succeed.

Western Sydney is an exciting place to be. As the nation’s third largest economy, and one of the fastest growing population and employment centres, it is an increasingly important, dynamic and culturally diverse hub of business, industry and innovation.

With a large multicultural population of more than two million people from 170 nations, Western Sydney’s global links are creating unlimited opportunities for international business, investment, education and cultural exchange.

Ranked amongst the top two per cent of universities in the world, Western Sydney University values academic excellence, integrity and the pursuit of knowledge. We are globally focused, research led and committed to making a positive impact on the communities we engage with.

Your success starts here.
Most people are good at something. What’s your passion? Do you excel at English literature? Are you a mental mathematician? An advocate for social justice? A designer extraordinaire? Do you breathe foreign languages?

It’s important to acknowledge and play to your strengths because, ultimately, your strengths will determine your future. This is the premise behind Western Sydney University’s HSC True Reward - a unique early offer program that recognises the strengths of each individual.

True Reward offers you a place at Western before you receive your ATAR, on the basis of relevant HSC subject results. Why? Because at Western we recognise that too often, the ATAR system overlooks natural strengths and talent.

At Western, we see the awesome in you. We recognise that you are much more than your ATAR. True Reward focuses on the scores that reflect your strong points.

True Reward is a better system. It’s a more equitable system. It’s a system that makes sense.

True Reward acknowledges the idea that if you’re good at something, you’re just what Western is looking for.

Find out more about True Reward and how to apply – visit westernsydney.edu.au/hsctruereward

GET THE BEST POSSIBLE START

Our Social Sciences programs offer a balance of theory and practical field studies, broad unit choices, flexible course structures, industry-based projects and placements, and local and international work experience opportunities.

EXPERIENCE A CONTEMPORARY CURRICULUM

Social Sciences staff bring a combination of disciplinary and professional expertise that ensures our work engages with, and is informed by, contemporary debates and the latest developments in the field. Our enthusiastic teaching staff are at the forefront of their fields.

FOSTERING RESEARCH

Researchers from Social Sciences are at the forefront, nationally and internationally, of debates in a number of disciplines and interdisciplinary fields. Western Sydney University also has a strong commitment to conducting research that is ethical, engaged and practice-oriented, and many members of staff work closely in their research with the private sector, not-for-profit bodies and all levels of government.

CHALLENGING RACISM RESEARCH

Professor Kevin Dunn has been tracking Australians’ attitudes and experiences of cultural diversity and racism for the past 15 years through the ‘Challenging Racism Project’, a collaborative project with other Australian universities. A key finding of the study is that occurrences of racism in Australian society differ significantly across geographic locations, and this information may help to more strategically allocate anti-racism funding and create programs that recognise regional differences.

LIVELY, ACCESSIBLE LEARNING ENVIRONMENTS

The University has campuses all across Western Sydney. The School of Social Sciences and Psychology offers programs on the Liverpool, Bankstown, Penrith and Parramatta campuses. Each of our campuses has strong links with the community and reflects the cultural diversity, energy and growth of the region.

SCHOLARSHIP OPPORTUNITIES

Western Sydney University offers a range of scholarships, reflecting our strong commitment to academic excellence and opportunity for Western Sydney students. Our scholarships support students who have diverse interests, and who make an active contribution to the community. Find out more at westernsydney.edu.au/scholarships

FREE DIGITAL TEXTBOOKS

Western was the first university to provide all the digital textbooks for your first year units for free. We are pleased to be offering the benefit of free digital textbooks for first year units to students once again in 2019! That’s up to $800 in value. Why? Because money shouldn’t stand between you and opportunity. Discover more about free digital textbooks at westernsydney.edu.au/textbooks

WHY STUDY AT WESTERN SYDNEY?
Success is not just about getting a degree, but also developing the critical thinking and leadership skills to support a successful career.

It’s about learning skills for your chosen life, not just a job.

The Academy at Western Sydney University offers advanced degrees that prepare you to thrive in the face of change and seize success at every opportunity. Whether your dream is to achieve as a professional, an entrepreneur or an academic, you will learn to think differently and creatively in whatever you do.

The Academy offers high-achieving students a unique, hands-on approach to learning in an interdisciplinary environment. Led by Professor Jonathon Allen, The Academy draws on the unique experience of leading thinkers, social change agents, community leaders, and high-achieving students both past and present.

With a focus on ethical leadership and critical thinking, built on the pillars of academic rigour, community engagement, and professional and personal development, The Academy offers students access to:

- unprecedented opportunities for industry and real-life experience
- world-class research, researchers, teachers, experts and innovation labs
- travel to national and international leadership experiences and conferences
- a range of professional and personal development workshops
- internship, service learning and volunteering opportunities
- personalised career planning
- mentorship programs
- applied leadership experience in student-led, community-focused projects.

Visit westernsydney.edu.au/theacademy for more information.

BACHELOR OF SOCIAL WORK

“With the right motivation, you will enjoy this course. It’s a really interesting course. My advice is to come with an attitude that by studying Social Work you will increase your understanding of how society works, and how you can help. And always remind yourself why you want to study.”

Bachelor of Social Work

If you are driven to help people deal with personal and social problems, either directly or by planning and carrying out programs that will benefit groups or communities, the Western Sydney University Social Work degree is the ideal program of study.

The Bachelor of Social Work gives you the valuable skills and knowledge you need for effective professional practice as a social worker. It emphasises practical skills and makes you job-ready as you complete over 1,000 hours of supervised field placements. At the same time, you will access social research and theoretical perspectives.

This will establish a pathway to a rewarding career in Social Work within private or government agencies, welfare support organisations, community groups or in health.

PRACTICAL EXPERIENCE

The degree incorporates 1,008 hours of supervised full-time placements. Please note that students participating in placement programs must meet the government requirements, e.g. Working with Children Check, and National Criminal Record Check. Any students participating in placement with programs in NSW Health facilities will need to comply with its Occupational Assessment, Screening and Vaccination against Specified Infectious Diseases policy prior to placement.

PROFESSIONAL RECOGNITION

This course is accredited by the Australian Association of Social Workers (AASW) and graduates are eligible for membership of the AASW.

CORE UNITS AND ELECTIVES

To graduate with a Bachelor of Social Work, you will be required to complete a total of 29 units. This includes two field education units with their accompanying field placement components, as well as core units such as: People, Place and Social Difference; and The Individual in Society. Social Work units include Group Work; Practice Skills; and Professional Decision Making. For detailed information about the course structure and units, visit westernsydney.edu.au/future

CAREER OPPORTUNITIES

Graduates of the Western Sydney University Bachelor of Social Work can expect to find employment in the human services industry in areas such as:

- health and community services
- hospitals
- local community centres
- advocacy organisations
- government and non-government organisations
- welfare agencies.

Social workers are qualified for diverse positions in areas such as such as:

- counselling
- group work
- community work and community development
- research and social policy.

INHERENT REQUIREMENTS

The Bachelor of Social Work degree has inherent requirements. For further information, visit westernsydney.edu.au/inherentrequirements
Bachelor of Criminal and Community Justice/Bachelor of Social Work

This dual degree combines a critical perspective on theories and practices from social work as well as criminology. There is a strong focus on practice for students who wish to pursue a career in social work, community corrections, or other sectors of the criminal justice system, including private providers as well as the not-for-profit sector included in probations.

This is an applied degree pathway which links theory to practice, and contains two field education placements. There will be a strong focus on practice for students who wish to pursue a career in social work, community corrections, or other sectors of the criminal justice system, including private providers as well as the not-for-profit sector.

CORE UNITS AND ELECTIVES
To graduate with a Bachelor of Criminal and Community Justice/Bachelor of Social Work, you will be required to complete 400 credit points, and two field placements. For more detailed information about the course structure and units, visit westernsydney.edu.au/future

CAREER OPPORTUNITIES
See career opportunities for the Bachelor of Social Work and the Bachelor of Criminal and Community Justice within this brochure.

INHERENT REQUIREMENTS
The Bachelor of Social Work holds inherent requirements. For further information, visit westernsydney.edu.au/inherentrequirements

PRACTICAL EXPERIENCE
This combined degree incorporates two professionally-supervised field placements totalling 1008 hours. Please note that students participating in placement programs must meet the government requirements, e.g. Working with Children Check, and National Criminal Record check. Any students participating in placement with programs in NSW Health facilities will need to comply with its Occupational Assessment, Screening and Vaccination against Specified Infectious Diseases policy prior to placement.

PROFESSIONAL RECOGNITION
This course is accredited by the Australian Association of Social Workers (AASW) and graduates are eligible for membership of the AASW.
If you want a rewarding career in family and community work, the Bachelor of Community Welfare could be ideal for you.

Founded on the premise that every society is responsible for the wellbeing of its members, the Community Welfare degree provides a foundation in sociology, welfare policy and practice, community work and psychology. This leads to a range of rewarding career options for graduates. Students also have the opportunity to undertake elective studies in cognate areas, including Criminology and Criminal Justice and Sociology.

### Core Units and Electives

To graduate with a Bachelor of Community Welfare, you will be required to complete a number of compulsory units in addition to field placements. The units may include: Understanding Society; Human Services Intervention Strategies; Ethics in the Social Sciences; Community and Social Action; Family Violence: Policy and Practice; and Contemporary Social Issues and Professional Practice.

For detailed information about the course structure and units, visit [westernsydney.edu.au/future](http://westernsydney.edu.au/future).

### Indigenous Australian Studies

Enrolment in the Indigenous Australian Studies (IAS) unit is available to all undergraduate students who have open electives. For more information, visit [westernsydney.edu.au/future](http://westernsydney.edu.au/future) or refer to the University Handbook.

### Career Opportunities

As a graduate of the Community Welfare degree, you will find career opportunities in Australia and internationally, in fields which include community work and community development, social casework, social policy and research, advocacy and social action, government departments such as community services, juvenile justice and corrective services, local government agencies, neighbourhood and community development organisations, refuges, and organisations working with disabled and aged persons.

### Inherent Requirements

The Bachelor of Community Welfare degree has inherent requirements. For further information, visit [westernsydney.edu.au/inherentrequirements](http://westernsydney.edu.au/inherentrequirements).

### Practical Experience

The degree incorporates one supervised field placement of 400 hours. Please note that students participating in placement programs must meet the government requirements, e.g. Working with Children Check, and National Criminal Record Check. Any students participating in placements with programs in NSW Health facilities will need to comply with its Occupational Assessment, Screening and Vaccination against Specified Infectious Diseases policy prior to placement.

### Professional Recognition

This course is accredited by the Australian Community Workers Association (ACWA).
Bachelor of Community and Social Development

Are you an Aboriginal and/or Torres Strait Islander person, passionate about working with communities? If so, the Bachelor of Community and Social Development is the right degree for you.

The Bachelor of Community and Social Development is a three-year undergraduate degree offered in block mode for Aboriginal and Torres Strait Islander students. The block mode involves students attending six residential one-week terms  at the Parramatta South campus.

The degree provides the skills and knowledge for work in various fields in the community sector including community development, welfare, advocacy, youth work, case management and allied health. Students who have previous study and/or work experience may apply for advanced standing, which reduces the number of units required to complete the degree.

PRACTICAL EXPERIENCE

The degree incorporates two structured and supervised field placements. The first field placement of 140 hours is held in second year. The second field placement of 260 hours is held in third year. Both placements provide students with the opportunity to apply their knowledge and experience in linking theory with practice, and extend their skills for community work with the support of practitioners working in the human services sector. Placements are offered in a variety of agency types spanning all areas of community work practice: work with individuals, groups and families, community development, research and policy.

PROFESSIONAL RECOGNITION

This degree is a recognised professional degree, accredited by the Australian Community Workers Association (ACWA). Graduates can register with the ACWA upon completion of the degree, gaining access to professional resources and support.

CORE UNITS AND ELECTIVES

To graduate with a Bachelor of Community and Social Development, you will be required to complete 24 units. The units include: Contextualising Community Development with Indigenous Australia; Introduction to Working with Families and Communities; Personal Identities in Professional Practice; Community Work and Community Development; Human Rights, Human Services and the Law; Management and Community Organisations; Child Abuse as a Social Issue; Theory and Critique of Welfare Practice; Social Research Methods; and Welfare Field Education 1 and 2.

For detailed information about the course structure and units, visit westernsydney.edu.au/handbook

DIPLOMA OF COMMUNITY AND SOCIAL DEVELOPMENT

The Diploma of Community and Social Development is designed as an entry level qualification for Aboriginal and Torres Strait Islander students. On completion of the program, graduates can either apply to continue their studies at Western Sydney University in the Bachelor of Community and Social Development or other Undergraduate degrees in Arts and Social Sciences. Alternatively, they can graduate with the Diploma which will enhance employment opportunities in the community sector. The Diploma is made up of eight units delivered across one year of study. For more information about the Diploma of Community and Social Development, visit westernsydney.edu.au/handbook

CAREER OPPORTUNITIES

Graduates of the Bachelor of Community and Social Development can expect to find employment in the human services industry in areas such as:

- community work and development
- government departments such as Family and Community Services, Aboriginal Affairs, Aboriginal Housing, Juvenile Justice, Justice including Corrective Services, and Health
- non-government Indigenous and non-Indigenous community welfare and community development agencies
- local government
- welfare work
- advocacy and social action
- a wide range of organisations working to minimise the lack of access to services by vulnerable groups
- Aboriginal organisations
- land councils and other governance organisations
- not-for-profit organisations
- neighbourhood and community development organisations
- refuges for homeless people and people escaping violence
- organisations working with people with disabilities and older people
- youth work
- case management
- social casework
- allied health.

Graduates are qualified for positions such as:

- community development worker; youth worker; community welfare worker; corrections staff; caseworker; project officer; advocate; and research and policy development officer.

SUPPORT SERVICES

- The Badanami Centre for Indigenous Education provides a range of services specifically to support Aboriginal and Torres Strait Islander students. Visit westernsydney.edu.au/badanami
- Students may be eligible for the Tutoring for Success Scheme.
- Western Sydney University provides a range of support services for all students.
- Travel, accommodation and meals are funded for approved away from base students to attend residential courses.

HOW TO APPLY

Application for the Bachelor of Community and Social Development is via the Aboriginal and Torres Strait Islander Alternative Entry Program. Students who apply through UAC will be referred to the Aboriginal and Torres Strait Islander Alternative Entry process. This includes testing of English literacy as well as an interview. For more information, visit westernsydney.edu.au/alternativeentry
## Bachelor of Social Science (Child and Community)

As part of the Social Science degrees, you can choose from a range of specialisations designed to help you develop a sound career base, with knowledge that allows for distinctive occupational outcomes.

The Bachelor of Social Science, majoring in Child and Community, provides a comprehensive introduction to a range of social science related areas and a critical understanding of contemporary issues facing children and their families.

This major provides a good foundation for people interested in a career in the human services with a particular interest in children.

### CORE UNITS AND ELECTIVES

To graduate with a Bachelor of Social Science, you will be required to complete 24 units.

The degree is made up of a combination of eight core units of study, which may include: Working with Communities; Understanding Society; People, Place and Social Difference; The Individual in Society; Ethics in the Social Sciences; Social Research Methods; Applied Social Research; and Contemporary Social Issues and Professional Practice.

There is an eight-unit major and eight electives, which can be used to give a second major to broaden your individual career aspirations.

### CAREER OPPORTUNITIES

Career opportunities include: roles in Australia and overseas in fields including community work and community development, social policy and research, advocacy and social action, government departments, such as community services, juvenile justice and corrective services, local government agencies, neighbourhood and community development organisations, refuges and organisations working with people who have a disability.

### INDIGENOUS AUSTRALIAN STUDIES

Enrolment in the Indigenous Australian Studies (IAS) major, sub-major or units is available to all undergraduate students who have open electives. For more information, visit westernsydney.edu.au/future or refer to the University Handbook.

**Key:** B = Bachelor of; F = Full-time; P = Part-time.

**Note:** Part-time refers to study load, not to timetabling of evening classes. This course is also available at WS Online.
The Master of Social Work (Qualifying) is aimed at graduates of social sciences and other human services programs who wish to achieve a professional qualification in social work.

It combines the academic rigour, including research training required for a Masters level qualification, with the practical education required to meet Australian Association of Social Workers (AASW) standards.

As a student of Western Sydney University, you will undertake traditional academic units as well as completing assessed placements. The combination of blended and work-based learning is a distinguishing feature of this degree.

HOW DO I APPLY?

To apply you must have successfully completed an undergraduate degree in the areas of Health, Education or Society and Culture, majoring in Psychology or Sociology.

Applications from Australian and New Zealand citizens, and holders of permanent resident visas, must be made via the Universities Admissions Centre (UAC).

If you have undertaken studies overseas, you may have to provide proof of proficiency in English. Local and international applicants who are applying through the Universities Admission Centre (UAC) will find details of minimum English proficiency requirements and acceptable proof on the UAC website. Local applicants applying directly to the University should also use the information provided on the UAC website uac.edu.au

International applicants must apply directly to Western Sydney University via the International Office. International students applying to the University through the International Office can find details of minimum English proficiency requirements and acceptable proof on their website westernsydney.edu.au/international

Overseas qualifications must be deemed by the Australian Education International - National Office of Overseas Skills Recognition (AEI-NOOSR) to be equivalent to Australian qualifications in order to be considered by UAC and Western Sydney University.

PRACTICAL EXPERIENCE

This degree incorporates two professionally-supervised field placements totalling 1,008 hours. Please note that students participating in placement programs must meet the government requirements, e.g. Working with Children Check, and National Criminal Record Check. Any students participating in placement with programs in NSW Health facilities will need to comply with its Occupational Assessment, Screening and Vaccination against Specified Infectious Diseases policy prior to placement.

For more information, please call our Course Information Centre on 1300 897 669 or email study@westernsydney.edu.au
In the world of tomorrow, data skills will be essential – no matter what other qualifications you may have. Western’s new Bachelor of Data Science is a one of a kind. It’s unique because it can only be studied in conjunction with another degree. This is a real advantage in a competitive environment. Graduates who understand the intricacies of extracting information and knowledge from data are highly sought after, whatever their discipline.

Blend Data Science with courses like Marketing, Engineering, Information and Communications Technology, Science or Psychology to graduate with a combined degree.

It will all add up to an unstoppable future. Find out more about what our Bachelor of Data Science degree can offer.

ALTERNATIVE ENTRY PATHWAYS

THE COLLEGE
Western Sydney University The College (The College) provides a range of pathway options and support services to help you on your journey to university. Through its comprehensive range of integrated Diploma/Bachelor courses, Extended Diplomas and University Foundation Studies featuring small class sizes and individual attention from academic staff, The College provides a well-supported environment for you to succeed in your tertiary studies.

DIRECT ENTRY ADVANTAGE
One of the many advantages of studying at The College is the direct entry arrangement with Western Sydney University. After successfully completing the University Foundation Studies program you will be able to apply for a place in the first year of a corresponding undergraduate degree at Western Sydney University.

The 12-month Diploma component of the integrated Diploma/Bachelor course covers the same units as first year uni over the same time span, meaning there’s no time lost. Our entry scheme also means upon successful completion of your first year of studies, you’ll receive guaranteed direct entry into the second year of the corresponding university degree.

The 16-month Extended Diploma program covers the same units as first year uni, as well as additional preliminary units to prepare you for success in your tertiary studies. Upon successful completion of the program, you’ll have the opportunity to enter into the second year of the corresponding university degree.

The College provides pathways in the following fields:
- Arts (for students wishing to study Arts, Education, Humanities, Law, Psychology and Social Sciences)
- Building Design Management
- Business
- Communication
- Construction Management
- Criminology
- Design
- Engineering
- Health Science
- ICT Health Informatics
- Information and Communications Technology
- Nursing
- Policing
- Science
- Social Science

HECS-HELP loans are available to eligible students. For more information, visit westernsydney.edu.au/thecollege

APPLICANT CHECKLIST

1 FIND OUT ABOUT OUR COURSES
- Read the information within this Guide
- Talk with careers advisors, your parents and teachers/mentors
- Refer to the Future Students site, visit westernsydney.edu.au/future

2 TALK TO US
- Attend Western Sydney University events - find out more at westernsydney.edu.au/events
- Call the Course Information Centre on 1300 897 669 or email study@westernsydney.edu.au
- Get the inside information on Alternative Entry Pathways, Advantage Entry programs, Bonus Points and scholarships

3 APPLY TO US
- Apply through UAC, visit uac.edu.au or apply direct to Western at https://westernsydney.uac.edu.au/ws
- Place your Western Sydney University preferences
- Check your eligibility and submit a scholarship application, visit westernsydney.edu.au/scholarships
INTERNATIONAL STUDENTS
If you are an international student completing one of the following qualifications in 2018, you must apply through UAC International:

- an Australian Year 12 in or outside Australia
- an International Baccalaureate
- a New Zealand National Certificate of Educational Achievement (NCEA) Level 3.

You can lodge your application online at uac.edu.au/international

All other International students must apply direct to Western Sydney University at westernsydney.edu.au/international/apply

For information about studying at Western Sydney University, including courses, tuition fees, English requirements, intakes, assessment methods, accommodation options and living in Australia, visit westernsydney.edu.au/international

If you have any questions about applying as an international student, call 02 9852 5499 or email internationalstudy@westernsydney.edu.au

ADVANTAGE ENTRY PROGRAMS
Western Sydney University provides the following Advantage Entry programs:

BEFORE THE ATAR

- Schools Recommendation Schemes (SRS)
  If you apply to the SRS through UAC, you may be eligible for a guaranteed offer even before your ATAR is released.

HSC TRUE REWARD
At Western, we do things differently. In 2018, we are giving HSC students the opportunity to plan their futures early because we believe your hard work matters.

The HSC True Reward is the only program of its kind in NSW, open to 2018 NSW HSC students, that makes an early offer for entry to a degree based on corresponding HSC subject band outcomes.

Register now to receive information from Western Sydney University about this program at westernsydney.edu.au/hsctruereward

PROVIDING OPPORTUNITIES THROUGH SCHOLARSHIPS
At Western Sydney University we have over $22.4 million in scholarships, grants and prizes for our students.

The range of scholarships reflects a strong commitment to academic excellence and opportunity for the students of the University. Western also provides support to students who have diverse interests and skills, and who make an active contribution to the broader community.

There are over 100 different scholarships focusing on areas such as industry placements, leadership and community involvement, international exchanges, sport, specific courses, local government areas, high-achieving students, as well as students experiencing financial hardship, people with a disability or long-term medical condition, Aboriginal and Torres Straight Islanders, and refugees and asylum seekers.
