UNLOCKING CAREERS IN SPORT AND HEALTH

Wednesday 28th May, 9:30am to 2pm
Parramatta South Campus

Join us at Unlocking Careers in Sport and Health, an engaging on campus day for Indigenous High School students Years 9-12! At this event, students will discover the wide variety of study and careers available for mob in the Sport and Health industries. Students experience their choice of interactive workshops and a Q&A Yarn Up with Indigenous industry professionals, to gain insight into their education journeys, work and career.

CHOOSE FROM PRACTICAL WORKSHOPS

- Paramedicine
- Speech Pathology
- Sport & Exercise Science
- Sport Management & Marketing
- Physiotherapy
- PDHPE Teaching
- Nursing & Midwifery
- Sport Journalism
- Occupational Therapy
- Psychology
- Youth Work
- Social Work
- Medicine

YARN UP Q&A

Hear from Indigenous professionals working in careers in sports and health, including athletes, nurses and program managers! Speakers will share about their study and career journey before the opportunity for student questions.
