Any subjects undertaken from another field of study/Band will result in the corresponding fees for that field of education.
Fees are indicative for 2026 only. If students undertake subjects in future years the subjects will be charged at the corresponding year's fees

**Program includes subjects with multiple FoE so fees will vary- estimate only

^ Fee estimates are not provided for Masters programs that are Commonwealth supported due to the duration of the program over multiple years and possible variation in subjects available.
