

TEAC2048 Professional Experience 1:

Working in classrooms.

Week One - Pre-service Teachers will complete several observation tasks as well as assisting the Supervising Teacher in activities such as teaching small groups, assisting individual students, teaching lesson segments and team teaching as appropriate.

Week Two - Pre-service Teachers should complete a minimum of teaching, using the Supervising Teacher's planning/program. The focus of this week is teacher presence, providing instruction, managing a lesson, and developing skills related to classroom management.

Week Three: Pre-service Teachers should complete 6 - 8 hours of teaching involving planning and resource preparation.

	Monday	Tuesday	Wed	Thurs	Friday
Week 1	Observation	Observation	Co-teaching	Co-teaching	Co-teaching
Week 2	Small group/co-teaching	Small group/ co-teaching	One lesson	One lesson	One lesson
Week 3	One lesson	One lesson	Two lessons	Two Lessons	Two Lessons

This is the suggested progression and PEX1, however we understand that some modifications may be required (for example, excursions, sport, and assembly).

Observation – observing Supervising Teacher and class (see observation tasks)
Small Group – a group of 6-8 children
Co-teaching – teaching a part of a lesson with the Supervising Teacher
Whole Class Lesson – a scheduled lesson delivered to the whole class.
