

TEAC 3021 Professional Experience 3: Engaging with Diverse Students and Communities

Prior Learning · Placement Requirements · Focus Teaching Standards

Placement: 4 weeks (20 days)

Stage of degree: Year 4

Sequence: 3rd of 4 placements

WHERE PEX3 SITS IN THE DEGREE

Pre-service teachers are in **Year 4 (final year) of the Bachelor of Education (Primary)**. They have completed two placements and the full primary curriculum and pedagogy program, including inclusive practices, EAL/D, STEM and HPGE. PEX3 is the placement before their final placement and **Teacher Performance Assessment (TPA)** and therefore approaching beginning teacher capability.

<i>Currently studying</i>	<i>Alongside this placement pre-service teachers are concurrently studying TEAC 3043 Reading Children's Literature and Digital Texts, plus two electives or two subjects from the Inclusive Education Minor</i>

*This is the recommended progression. Students may choose their own study path, enter mid-year, or study part-time, so subjects may be completed in a different order — but the overall progression through the degree is the same.

What this means for the supervising teacher: By PEX3, pre-service teachers have developed knowledge of inclusive practices, EAL/D, differentiation and Aboriginal and Torres Strait Islander education. During this placement, they are expected to apply this knowledge by **planning, teaching and evaluating learning for two identified focus students**. Support is needed in selecting two students and by providing insights into their strengths, learning needs, interests and preferred ways of learning.

WHAT WE EXPECT ON THIS PLACEMENT

A **four-week (20 day)** placement. Pre-service teachers develop an understanding of diverse learners within specific school and classroom contexts, identify individual students' strengths, needs and learning styles to design and deliver teaching that enhances engagement and learning. When not teaching, they must observe/assist in the classroom and during other school activities and duties.

Week 1 — Focus students & orientation

In conjunction with the supervising teacher, **select two focus students**. Begin observations and data collection on their strengths, needs, interests and learning styles. Observe and engage in individual, small-group and whole-class co-teaching.

Week 2 — Teaching from your program

Plan and implement a minimum of **8 hours of teaching**. Lessons are based on the supervising teacher's subject unit program. Daily feedback from the supervising teacher.

Weeks 3 & 4 — Two-week program

Work with the supervising teacher to develop a **two-week teaching program** using lesson plans / unit plans / daybook — planning requirements at the discretion of the supervising teacher. The teaching program must include **differentiated learning for the 2 focus students**. Pre-service teachers prepare and organise resources for each lesson. Daily feedback from the supervising teacher.

RECOMMENDED TEACHING SCHEDULE

	Monday	Tuesday	Wednesday	Thursday	Friday
Week 1	Observation	Observation	Co-teaching	Co-teaching / small group	Small group lessons
Week 2	One lesson	Two lessons	One session	Two sessions	One session
Week 3	Whole day	Whole day	Whole day	Whole day	Whole day
Week 4	Whole day	Whole day	Whole day	Whole day	Whole day

Observation – observing the supervising teacher and class. **Small group** – a group of 6–8 children. **Co-teaching** – teaching part of a lesson with the supervising teacher. **One lesson** – a scheduled whole-class lesson. **Session** – all lessons between breaks (may be one or several). **Whole day** – all lessons in the day. This is the suggested progression for PEX3; some modification may be required (for example, excursions, sport and assembly).

FOCUS GRADUATE TEACHING STANDARDS ASSESSED IN PEX3

Professional experience units are **sequential and cumulative**. In PEX3, pre-service teachers are assessed using **29 Graduate Standard descriptors** of the Australian Professional Standards for Teachers, including all descriptors from PEX1 and PEX2, plus **eight additional descriptors focusing on diversity, differentiation and planning**, reflecting their expected stage of progression.
