

## HDR CANDIDATES – MASTER OF RESEARCH UNIT AUDIT FORM

The Graduate Research School provides all Higher Degree Research candidates with the opportunity to request to audit coursework core units available in the Master of Research program in order to enhance their research methodology skills.

By auditing a unit, HDR candidates are able to attend lectures and workshops and will be provided with access to online learning materials via vUWS. Candidates auditing a unit will not be required to submit assessment items, enrol or pay fees towards the unit.

### Candidate details:

<b>Name:</b>	
<b>Student ID:</b>	
<b>Current course:</b>	

### Auditing units (core only):

Unit number:	Unit name:	Audit?
800166	Research Design 1: Theories of Enquiry	
800167	Research Literacies	
800168	Research Fields	
800169	Research Design 2: Practices of Research	

Please provide a brief statement describing how, if approved, auditing the units listed above will benefit your candidature.

--

### \*Terms of participation

I wish to participate in the above mentioned unit(s) for audit purposes only. I am aware that I am not required to complete any coursework or assessment items for the unit(s), however, I am free to do so if I would like. It is understood that if I choose to complete any assignments I can request to have them assessed by the lecturer. I understand that the results of any units I attend are purely for my personal learning experience and will not appear in my course documentation or results and I will not receive formal accreditation. I understand that approval to audit units is at the discretion of the Dean, Graduate Research Studies and the number of places may be limited.
